INSTRUCTIONS AND INFORMATION RELATED TO THIS FORM

The Records Office checks this program for credits and grades and for all requirements for graduation. Changes in the program must have the signed approval of the advisor on a **Graduate Program Change Form**; an approved undergraduate course used in the program must have the signed approval of the advisor and the graduate dean on a **Permission to Elect a 300 or 400 level course for inclusion in a Graduate Program** form. This program form, which must be signed by the graduate advisor, should be sent to the Records Office before the student completes the final fifteen to eighteen hours. This program form is not an application for graduation. A separate form for that purpose may be obtained from the Records Office and returned to that office approximately six months before the student's intended graduation date.
