Keynote

Gregory Dziadosz, Ph.D.
The Language, Skills and Structure of Excellent Inter-Professional Care

Dr. Dziadosz received his Doctorate in Experimental Psychology and Neurophysiology from the University of Wisconsin – Madison. He was the Chief Executive Officer of Touchstone Innovare and its predecessor organizations for 30 years, overseeing two mergers and the development and implementation of innovative programs for people with serious psychiatric conditions. The most recent of these was the Durham Clinic now at Heart of the City Health Center. The Durham Clinic provides comprehensive inter-professional services to over 1,500 people who have multiple chronic health conditions. Dr. Dziadosz now works as an independent consultant in the areas of health care policy and inter-professional education and care.
