WESTERN MICHIGAN UNIVERSITY LEED UPDATE

The intent of this document is to provide an update on Leadership in Energy and Environmental Design (LEED) for Western Michigan University. Listed below are the buildings certified under the LEED New Construction (NC) and LEED Existing Building (EB) by year, certification level, and status:

- A total of 12 buildings have achieved LEED certification on campus
- A total of 7 buildings are pending LEED NC certification on campus
- A total of 2 buildings are pending LEED EB certification on campus

<u>Buildings</u>	<u>Year</u>	<u>Level</u>	<u>Status</u>
145 – CHHS 	2009	LEED EB – Gold	Achieved
114 – Chemistry 	2012	LEED EB – Silver	Achieved
042 – Brown Hall 	2012	LEED EB – Certified	Achieved

Buildings

301-304 – WVA Phase 1

Year
2012

Level
LEED NC – Certified

Status
Achieved

138 – New Sangren Hall

2014

LEED NC – Gold

Achieved

149 – Zhang LCC

2014

LEED NC – Silver

Achieved

024 – Lee Honors College

2014

LEED NC – Silver

Achieved

305 & 306 – WVA Phase 2

2014

LEED NC – Certified

Achieved

307 - WV Community Center

2014

LEED NC – Certified

Pending

Buildings

SOM1 – School of Medicine

Year
2014

Level
LEED NC – Silver

Status
Pending

118 – South Kehrman Hall

2014

LEED EB – Certified

Pending

214 - CEAS

2015

LEED EB – Certified

Pending

165 & 175 New Res Halls

2015

LEED NC – Silver

Pending

001 – East Hall Alumni Center

2015

LEED NC – Platinum

Pending

174 – Goldsworth Dining Facility

2016

LEED NC – Silver

Pending

Buildings

096 – G.R. Graduate Center

Year
2015

Level
LEED NC – Certified

Status
Pending

LEED Ratings: Certified 40-49 points , Silver 50-59 points, Gold 60-79 points, Platinum 80 points and above. For LEED EB certification only, the building must be re-certified within 5 years of initial certification to maintain LEED certification in good standing.

Sincerely,

DeVon C. Miller, CPMP, LEED® AP
Building Commissioning Administrator
Western Michigan University
