Asylum Lake Group 'Not Giving Up!'

A Kalamazoo area citizens' group aimed at the creation of a park at the presently state - owned Asylum Lake property said Wednesday it is not ready to "give up on that yet."

June Copeland, spokesman for the group, said the committee is disturbed about the outcome of a bill in the state senate which failed to clear committee.

The bill would have turned the Asylum Lake property over to Kalamazoo County for \$1.

The group issued a statement saying it now hoped to have that bill reinstated, and urging citizen help toward that end.

Anyone interested can contact June Copeland at 349-4595.
