The Ethics Center, budget allowing, will provide free copies of the book to the first 10 people who sign up.

Book leaders meeting in person may elect to distribute books at the first meeting or have participants arrange to pick up books from a central location in advance.

The Ethics Center hosts online group discussions on Webex; group leaders will be designated as co-hosts so that they can manage the meetings.

The Ethics Center will manage registration, send meeting details to registrants, and provide e-mail addresses for registrants to book club leaders about one week before the first scheduled meeting.
