

# Ethics Bowl

## PHIL 3140: Ethics Bowl

For fall 2024, the Department of Philosophy and the Center for the Study of Ethics in Society are working together to offer a WMU Essential Studies course that also will serve as an opportunity for ten interested students in that class to compete in this year's intercollegiate ethics bowl (including a weekend competition).

### INTERCOLLEGIATE ETHICS BOWL

The APPE Intercollegiate Ethics Bowl provides students with an opportunity to practice applying the moral theories and argumentation principles that they learn in their ethics classes. Students receive a set of case studies in advance involving ethical issues in a number of practical contexts, including engineering, law, medicine, personal relationships, school and politics.
