### RECESSIONAL

# Welcome From the President

It is my distinct honor to congratulate the members of Western Michigan University's spring class of 2023. Your prestigious degree signifies a major milestone in your lives and represents your transition from college student to WMU alumni.

Graduates, I join with your friends and families on this momentous occasion to celebrate your accomplishment, and we take pride in what you have achieved. Tested by an array of challenges during your college years, including a global pandemic, you have overcome many hurdles and persevered. You have proven you have the resilience to surmount any challenge and the ability to take advantage of the vast array of opportunities awaiting you as you pursue your purpose in the next chapter of your lives.

We know our graduates did not get to this moment on their own, so I also want to thank the parents, spouses and partners, children, extended family members, friends, faculty, staff members and community partners who have played a significant role in supporting them through their pathways. Each one of our graduates has benefitted from a support network that has provided guidance, tough love, laughter and encouragement throughout a journey that is now culminating with a diploma, greater knowledge and understanding, and a wealth of valuable experiences.

During their time with us, these Broncos proved time and again that they possess the fortitude and determination to achieve success. As our newest alumni enter a new chapter in their lives, I know they will seize opportunities to meet their goals and establish careers that will bring fulfillment in their lives and make a meaningful impact on the world around them. Graduation is a significant moment for the entire family because new doors are opening, new goals will begin to flourish and a new chapter will begin to unfold. Our graduates have been prepared to look toward the future and think big, and we cannot wait to see what they will do next.

So, today, we are not focused on endings but on new beginnings. Graduates, as you move forward with your future, whether it's starting your career or continuing your studies, know that you are well prepared but never hesitate to ask for a helping hand. You are part of a worldwide Bronco family that is always there for each other. It's always a great day to be a Bronco!

Congratulations and best wishes in the future,

A handwritten signature in black ink that reads "Edward Montgomery". The signature is written in a cursive, flowing style.

Edward Montgomery  
President

**Congratulations!** You're not only officially a college graduate but also a member of the WMU Alumni Association for life.

No matter where you go or how high you climb, you can always consider Heritage Hall your alumni home. Stop by and visit anytime, whether it's for a one-of-a-kind photo atop Prospect Hill, a tour and stroll down memory lane, or just to say hello. Hope to see you soon, Bronco!

# Welcome to YOUR Alumni Association!

To our newest alumni,

Welcome to the WMU Alumni Association! You've officially become part of a community of hundreds of thousands of Broncos who call Western Michigan University their alma mater.

Way to go!

Now that you've turned the tassel, know that all of us here at the WMU Alumni Association are cheering you on and excited to commemorate your next chapter. With fellow alumni in every state of the nation and in more than 100 countries around the world, your connection to WMU is sure to remain vibrant and strong.

In the days and years ahead, there are many things you can do to show and grow your Bronco pride—from buying one of our stunning class rings to giving back through our day of service to tailgating with us at homecoming or another sporting event. For the latest offerings and happenings, check out [WMUalumni.org](http://WMUalumni.org).

Speaking of our website, please visit [WMUalumni.org/YourStory](http://WMUalumni.org/YourStory) to keep us posted with what is going on in your life. We love hearing about and celebrating the success of our alumni! Remember, YOU put in the hard work and the fruits of your effort deserve some recognition.

On behalf of the WMU Alumni Association, bravo and congratulations!

Wishing you a bright future,

A handwritten signature in blue ink that reads "Gregory A. Dobson".

Gregory A. Dobson, B.B.A., 1991, MBA 1995  
President, WMU Alumni Association

# The University

WMU is a globally engaged University that promotes success for learners at all levels.

Western Michigan University prepares students from around the globe for a life well lived by helping them to pursue, thrive and prosper so they can make a meaningful impact on society.

Founded in 1903, WMU has undergone dramatic development during its 120 years of service. The University offers some 250 academic programs to nearly 18,000 students pursuing degrees through the doctoral level. Graduate coursework includes disciplines that range from geosciences and atomic and nuclear physics to medieval literature and blind rehabilitation. Of the 114 graduate offerings available, 35 lead to a doctoral degree.

WMU has created an environment designed to help students thrive academically, emotionally and physically as they pursue their purpose. The University's focus on well-being supports holistic success, empowering students to craft a life of meaning and fulfillment. The WMU community is in constant pursuit of higher levels of excellence to serve its students.

In 2021, visionary WMU graduates made history by donating \$550 million to the WMU Foundation, the largest gift for a public institution of higher education in U.S. history. Known as the Empowering Futures Gift, this incredible contribution is for scholarship support, advancing medical education and research, supporting faculty expertise, increasing athletic competitiveness and making possible numerous student-centered initiatives.

With the goal to transform and inspire, beginning this academic year, Western's first Empowering Futures

initiatives included funding the Bronco Promise, providing a tuition-free WMU education for up to five years for eligible first-year students. Broncos in need also receive low-cost housing in a new Living Learning Community and can receive pay for their internships at private and nonprofit organizations.

In fall 2021, Western honored the legacy of Dr. Merze Tate by naming University College after the inspirational alumna who in 1927 was the first Black woman to earn a bachelor's degree from Western. Merze Tate College is the academic home for exploratory majors as well as several student support units. The University also marked the opening of Business Technology and Research Park North, a land and economic development project that expanded Western's original business park located at the Parkview Avenue Campus.

Other developments include the summer 2021 opening of the Aviation Education Center, which expands educational opportunities and doubles the number of students the program can accommodate. In January 2021, the newly constructed Arcadia Flats apartment complex welcomed its first upper-level student residents. And this summer will see the opening of a vibrant and distinctive Student Center and Dining Facility at the heart of WMU's Main Campus. The innovative design includes an array of diverse spaces and customer-oriented retail options, intentionally focused on creating a welcoming and inclusive environment.

WMU is proud to be a recipient of the Carnegie Community Engagement Classification, a recognition of

outstanding commitment to transformative collaboration locally and beyond. Western is one of only 119 national institutions, 15 doctoral-granting universities with "high research activity" and three in Michigan to receive this designation. Among WMU's hallmarks are engagement with the communities it serves, innovation and outreach to enhance economic development. Western plays an integral part in efforts to diversify the state's economy as nine of 10 graduates are employed quickly, working in their field in jobs they like.\*

The campus community reflects Western's reputation in the world and its commitment to diversity. The University attracts students from across the nation and 96 other countries. Minority students comprise 19% of the student population, while international students make up 12%. Faculty members have been trained at some of the world's finest institutions, providing a global perspective that enhances the learning environment.

Western offers higher education and professional development opportunities beyond its Main Campus, with more than 50 complete degree programs and graduate certificates online or through regional locations throughout Michigan. The University has a long history of sponsoring study abroad programs, has exchange agreements with international institutions and is a higher education leader in sustainability and educating former foster care youth.

## The University Seal

In 1957, the year Western Michigan University became a university, art professor John Kemper made a sketch on the back of his faculty identification card that would eventually be adopted as the official seal of WMU.

The circular design by Kemper has remained the University's official mark for more than 60 years. It has four components:

- **Five stars** that symbolize the main academic units in place when WMU gained university status: the schools of Applied Arts and Sciences, Business, Education, Liberal Arts and Sciences, and Graduate Studies.
- **A tree**, which signifies the University's continuing growth. Its roots acknowledge the institution's firm planting through its creation by the Michigan Legislature in 1903.
- **A stone arch** that symbolizes a gateway to knowledge as well as solid growth, while the missing keystone indicates the University's growth is incomplete, with much more remaining to be accomplished and discovered.
- **A pyramid**, which stands for the building of knowledge and features a flame at its apex to signify enlightenment—WMU's true purpose.

Prior to the current design, four different seals represented the University under its various names. The first two emblems were circular and modeled on components of Michigan's state seal. The two subsequent seals were rectangular and featured depictions of campus buildings.

# Academic Regalia

The use of academic dress stems from costumes worn in universities in the 14th and 15th centuries, particularly at Cambridge and Oxford in England. Since colonial times, it has been worn in the United States and was standardized by an Intercollegiate Code in 1895.

The major distinguishing characteristics of the gowns are the sleeves, styled in the following fashions: bachelor, long pointed; master, oblong; and doctor and specialist, bell shaped. The doctor's gown has a velvet collar, facing and three bars on the sleeves. The specialist's gown differs from a doctor's in that it has no sleeve bars.

Masters, specialists and doctors wear hoods lined with the official colors of the University from which the degree is granted. They vary in size and shape to indicate the several degrees. The doctor's hood is the largest and most lavishly decorated. The color of the velvet that circles the opening of the hood shows the degree earned: silver for doctor of audiology, light blue for doctor of education, dark blue for doctor of philosophy, peacock blue for doctor of public administration.

Caps are mortar boards with the tassel worn over the left front quadrant. The tassel's color indicates the academic program area.
