

3+2 Cooperative Accelerated Masters Program (CAMP) Guide

Universidad Iberoamericana (UNIBE)

Bachelor's Degree
and

Western Michigan University (WMU)

Master's Degree

Catalogue Year 2023 - 2024

UNIBE Courses

Students shall study in the Bachelor program of their choice at UNIBE for the first three years. Students who complete the first three years' courses at UNIBE with a CGPA of 3.0 or above, and meet WMU's English proficiency and academic requirements, shall be considered for admission to the Master's program of their choice at WMU, which is expected to last approximately two years.

WMU Courses

Students shall take all required courses for the Master's program of their choice .
Course requirements can be found in the current WMU Graduate Catalog.

[Graduate Catalog](#)

Students participating in the CAMP will be required to submit proof of their Bachelor's degree from UNIBE in order to be conferred a Master's degree by WMU.

Advising Notes

Students are encouraged to meet with their academic advisors at both WMU and UNIBE to ensure they will meet all of the requirements to graduate.

Program Agreement

This program guide shall be considered an extension of the Memorandum of Understanding: Cooperation Agreement between WMU and UNIBE . This table displays the requirements for UNIBE students in this program. WMU will award a master's degree to all students who successfully complete all of the degree requirements (as detailed in the current degree catalog on the WMU Registrar's Office website <https://wmich.edu/registrar>) and who meet all of WMU's graduation requirements.
