Benefits Enrollment Checklist

□ Review this Benefits Guide to learn about the health care benefits available to you. Choose the ones that are the best fit for you (and your family).

– To find additional plan information and forms, visit the Human Resources webpage at wmich.edu/hr. Select your Employee Group, and then select Benefit Details.

□ Complete a Health Insurance Enrollment and Change Form to change health plans or to add, drop or change coverage for dependents. To add a designated eligible individual to the health plan, complete the designated eligible individual enrollment form. Gather the supporting documentation you’ll need to submit with it, as noted on the form.

□ Complete and submit enrollment forms—along with any required supporting documentation—to Human Resources by mail or fax:

– New COBRA enrollees: within 60 days
– Open Enrollment: by Friday, Nov. 18

For additional information, contact Human Resources. If you don’t enroll, you and your covered dependents will have the same medical benefits you had in 2022.
Medical Plan Overview

The Blue Cross Blue Shield of Michigan (BCBSM) Community Blue PPO plan includes prescription drug coverage and preventive care at no additional cost to you. The plan uses a specific network of providers and facilities to offer the highest-quality care at the lowest rates.

Plan highlights

**Community Blue PPO**

- Provider choice—stay in-network or use an out-of-network provider or facility. And you don’t need a referral to see a specialist.
- You’ll pay more out of pocket if you use an out-of-network provider, and some services may not be covered.
- Includes 24/7/365 virtual care through Blue Cross Online Visits™.
- Sindecuse Health Center is in-network. Deductibles, coinsurance and copays apply.
- WMU Unified Clinics provide services to you and your family. Plan coverage and costs vary by service.
- Nationwide coverage through BCBS PPO networks.
Community Blue PPO

The PPO offers set copays for some services, like doctor’s visits and prescriptions. For other services, such as diagnostic tests and hospital stays, you must first meet your annual deductible. Then, the plan will pay 90% of expenses, and you’ll pay 10% coinsurance—up to an annual cap. If you contribute pretax dollars to a health care flexible spending account (FSA), you can use this money to cover eligible out-of-pocket health expenses.

To locate a provider, visit bcbsm.com and select Find a Doctor. For your plan, select Community Blue PPO.

Don’t want to leave home for care?

You don’t have to. The Community Blue PPO plan offers virtual medical and mental health visits to you and your covered dependents through Blue Cross Online Visits. See a certified health professional, 24/7/365—wherever you are—using your smartphone, tablet or computer. If you need medication, the doctor can send a prescription directly to your pharmacy. You’ll pay a $35 copay.

You can get help for conditions including cough, sinus infection, sore throat, bronchitis, fever, diarrhea, pink eye, cold, flu, headache, weight concerns, smoking cessation, depression, anxiety, grief and insomnia.

To get started, visit bcbsmonlinevisits.com, add the app to your smartphone or tablet, or call (844) 606-1608.

Prescription Drugs

Prescription drug coverage is included with your medical plan. What you pay depends on your plan coverage, the medication type, fill quantity and where you fill the prescription. In addition to your plan’s retail and mail-order pharmacy options, you can also fill your prescriptions at the Sindecuse pharmacy.

** Specialty drugs are limited to a 15- or 30-day supply. Learn more about special coverage and mail order through AllianceRx Walgreens Prime delivery.
Refill maintenance meds by mail, and pay less

Save time—and money—when you fill a 90-day prescription using OptumRx mail-order pharmacy. Depending on the medication, you could pay less than you would if you filled the same prescription at a retail pharmacy. To get started, visit bcbsm.com.

Special circumstances for some drugs

To ensure you’re receiving the most appropriate and cost-effective therapy, certain prescription drugs require prior authorization or step therapy before they’re covered. Step therapy involves trying less expensive options before the brand-name drug will be covered. View the step therapy overview and drug list.

PillarRx copay assistance program

If you are on the WMU health plan and you or a covered family member takes a specialty or high-cost prescription drug, the PillarRx copay assistance program through BCBSM is designed to save you money, without changing the drug prescribed. This program will help you locate and take advantage of manufacturer copay assistance programs that significantly lower out-of-pocket costs for certain expensive medications. If you currently take one or more medications included in the PillarRx Drug List, you will receive introductory information in the mail and then a phone call from PillarRx to enroll you, explain how the program works and explain what to expect at the pharmacy. Once enrolled, PillarRx sends all the information needed for your discount to your pharmacy.

AllianceRx

Some specialty drugs must use our exclusive pharmacy network administered by AllianceRx. Specialty drugs are prescription medications that require special handling, administration or monitoring. BCBSM and BCN offer mail-order service, retail specialty network pharmacies and support programs through AllianceRx Walgreens Prime, an independent company that provides specialty pharmacy services for BCBSM and BCN members. For the most up-to-date list, please see the Specialty Drug Program Rx Benefit Member Guide on bcbsm.com, or call the Customer Service phone number on the back of your health plan member ID card.
Benefits That Support Your Evolving Needs

No matter what life throws at you, your WMU benefits are designed to keep you and your family healthy and to sustain you when you’re not. Take a look at the programs and incentives that support your physical, financial and emotional health, including fully covered preventive care (annual checkups, immunizations, tests and screenings) and dental cleanings.

Livongo diabetes program with BCBSM

WMU offers a diabetes management program through BCBSM and powered by Livongo. Livongo makes managing diabetes easier by removing barriers to diabetes management. Livongo offers advanced blood glucose meters, personalized coaching and support (by phone, text message or through the Livongo mobile app), unlimited free supplies, and a personalized experience. Livongo is 100% covered by WMU, and you will receive a welcome kit, onboarding information and supplies when you sign up. Enroll by calling (800) 945-4355 or visiting join.livongo.com/WMU (registration code: BCBSM).

24/7 support when you need it

That’s what the Employee Assistance Program is all about. HelpNet’s licensed counselors offer you and members of your household no-cost, confidential, short-term counseling for a range of issues. They can help with marital and family concerns, addiction, grief and loss, relationships, stress, anxiety, legal and financial issues, and depression. They can also provide referrals to child care and adult care providers.

Just call (800) 969-6162, or visit the EAP website > Work Life Login (Username: cowboy).
