Southwestern Michigan Engineering Societies

43rd Annual

Engineers Week Dinner

February 22, 2022

at WMU Fetzer Center

For the last few months the Engineers Week Dinner Steering Committee has been preparing for the 43rd Annual Engineers Week Dinner as an in-person event at Fetzer Center in WMU campus. Much of the logistics planning is now finalized, however, we are still in need of sponsors.

As in past years, we are reaching out to local businesses, professional societies, groups and individuals to sponsor this event. Your financial support will be used to underwrite subsidized dinner registration fees for hundreds of students, speaker expenses, and award scholarships. Options for general and scholarship donations are listed below.

In addition to general contributions, the Engineers Week Dinner Planning Committee offers the opportunity for you to sponsor a table of up to eight guests. The cost is $500 per table. This is a great way to recognize employees’ contributions.

With your help, the 2022 Engineers Week Dinner will be even more successful than previous editions. Please consider a financial contribution to the 43rd Annual Southwestern Michigan Engineering Societies’ Engineers Week Dinner.

This year’s guest speaker is Mr. Gavin Brown, Executive Director of Michigan Aerospace Manufacturers Association (MAMA). Mr. Brown is recognized as the driving force for promoting aerospace and defense companies active in Michigan. He is committed to establishing Michigan as a leader in the commercialization of near-Earth space and as a source for highly qualified suppliers to the Defense, Commercial, General Aviation, and UAV aerospace manufacturing sectors.

The presentation is titled Michigan: Mid-America’s Space Harbor. This presentation will cover public-private partnerships working to bring together industry, government agencies and academic partners, such as the Michigan Launch Initiative (MLI) and the Space-Enabled Communications for Advanced Mobility (SECAM).

Event Schedule: Fetzer Center 5:30pm - Social Hour 6:30pm - Dinner/Awards 7:30pm - Presentation

To Contribute – You can make donations by filling out the form below and mailing check. (you can also contribute online at http://wmich.edu/engineer/eweek). Contact Jorge Rodriguez (269-276-3374, jorge.rodriguez@wmich.edu) or John Lobo (269-342-3342, johnclobo@eaton.com) with any questions.
