Adding classes late

Approval to add a course after the drop/add period must be obtained from the instructor. A \$100 late fee will be assessed per course if at least one course has not been registered prior to the end of the drop/add period.

Drop

During open registration students may drop one or more courses for 100% refund and the record of the class will not show on their transcript. Beginning the day after registration closes, students may no longer drop a course. Students now must "withdraw" to officially stop taking a course.

Partial withdrawal

A partial withdrawal means withdrawing from one or more courses but NOT the entire schedule. A "W" appears on the transcript for each course withdrawn. A "W" does not affect the grade point average.

Complete withdrawal

A complete withdrawal means withdrawing from all courses for the rest of the term. A "W" appears on the transcript for each course withdrawn. A "W" does not affect the grade point average.

Exception

If a class does not meet for the first time until after the last day to register then the student has a 24-hour grace period to drop the course for a full 100% refund. After that, a student must withdraw to officially stop taking the course.

Caution

Depending on the dates, students may receive a partial refund of tuition; however, even if they haven't paid anything, they are still financially responsible for their tuition.
