- W-Exchange - portal to access your wmich email account
Degree Works

Degree works is a great planning tool to see what courses you have taken and what you will have to take!

Accessing Degree Works

1. Go to GoWMU and enter in your Bronco ID and password
2. Go to Academic Services and click Degree Works
   - If Degree Works does not load for you, make sure you block pop ups on your browser

In Degree Works

Here is the most important functions in Degree Works!

Student View

The top section of Degree Works, student view, is where you can find your declared major, minors, GPA, credited hours, advisor and academic standing.

Major/Minor Courses and Requirements

The rest of the page shows the course requirements including what courses are required for you to take and which ones have you already taken. Degree Works is a great tool to build your class schedule!

What If...

The What If function can be found in the top left corner of the page. It serves as a tool to see what would happen if you switched your major, including what courses you have taken that would count towards that major and what courses you would have to take

GPA Calculator

Enter the grades you have gotten for past courses and what you plan to get in future courses to estimate what your future GPA will be!
ExperienceWMU

ExperienceWMU is a great resource for how you can get involved on campus! It is important to get involved and one of the best way to make friends!

Accessing ExperienceWMU

Either go to https://wmich.campuslabs.com/engage/ or access ExperienceWMU through GoWMU

Registered Student Organizations

Registered Student Organizations (RSOs) are a great way to get involved on campus!
Here’s how to find an organization on campus:

1. On the homepage of ExperienceWMU, you will see a search bar
2. Search for something that you are interested in the search bar to see if we have an a Registered Student Organization (RSO) on campus!
3. Once you find an organization, you can request to join that organization to receive updates from them!

Public Events

On the home page, there is a section for public events! View the public events section on the home page to see what is happening on campus and how you can attend!
E-Learning

E-Learning is the hub for all courses. This is where you will have access to grades, have the opportunity to do some of your coursework, find communication with professors and students and more!

LOCATING E-LEARNING

1. Locate E-Learning in GoWMU or go to https://elearning.wmich.edu/shared/online/landing.html
2. Enter in your Bronco Net ID and Password to log in

USING E-LEARNING

Important Buttons on the Home Page:

1. Home Button- click this button to return to the home screen
2. Course List- click this button to see and access your course pages
3. Notifications- Click this button to see recent updates to grades, posts, news etc in your courses
4. My Courses - here is another list with access to all of your courses
Course Pages

Courses Pages contain everything you will need for your course for the semester! Let's break down the most important parts of course pages, and their function!

1. Content - here is where you can find all the content your instructor has uploaded for the course

2. Resources - here is where you can find different recourses your instructor might use, including
   - A calendar
   - Setting up an i-Clicker
   - Important links for class

</tbody>
</table>

The price of a parking pass depends on what semester you are buying it for!

Circle the parking pass would work best for you!

What Parking Pass Do You Need
The parking pass you have depends on where you live - on campus and off - and what lot you can park in on campus

- On Campus Living - All students living on campus with a car will have a Residents Hall parking pass (A,C,F,K,B,D or E) depending on where you live. Parking Services will give you which one you need when you go to get a parking pass

- Off Campus Living - All students living off campus with a car must have a commuter (W) parking pass

Parking Citations
If you do not have a parking pass and park on campus, or park in a lot that does not align with your pass, you WILL get a parking citation. Here’s how you pay that:

- Parking Services: Go into the parking service building with your citation and pay in person
- Online: Visit https://wmich.edu/parking/tickets, enter your Bronco Net ID and Password and pay your citation online

*If you have up to four unpaid tickets, a hold will be put on your account!
Parking Map - Main Campus
Items needed to buy a parking pass:

Physical and Mental Health Care at WMU

Offered at Sindecuse Health Center
wmich.edu/healthcenter

Appointments
Care at Sindecuse Health Center is provided by appointment. Patients may make an appointment by phone or online. Visitors who arrive after 4:30 p.m. seeking an appointment will be offered one on the following business day if one is available.
healthmanager.wmich.edu
(269) 387-3287, then press 2

Using Insurance
Sindecuse Health Center participates with many major insurance companies. All students are welcome to use health center services regardless of insurance coverage. Many students meet the income limitation to qualify for Medicaid and it is easy to apply. Bring a Bronco ID card and a copy of your insurance card to your visits.
wmich.edu/healthcenter/about/insurance
(269) 387-4219

Ongoing care
Our clinic will coordinate with your primary care clinician to continue treatments. We are ready to manage health concerns like ADHD, diabetes, depression, or anxiety and to continue physical therapy services, to name a few.

Medical records
We only ask for medical records of students who will be receiving continuing care.
wmich.edu/healthcenter/about/records
Fax (269) 387-4494.

Immunizations
Meningitis and seasonal influenza vaccines, as well as other immunizations, are given by our nurses by appointment during regular health center hours. Sindecuse Health Center strongly suggests having several immunizations before attending college. All recommended immunizations are available at the health center.

Allergy injections
Your allergist must begin your desensitization schedule. We are happy to provide injections after that. We will need clear instructions from your allergist, and begin care after receiving them. See:
wmich.edu/healthcenter/clinic/services/allergy

Emergency medical care after hours
There are several immediate care facilities and two major hospitals in the area. For after-hours emergency care call:
  - Medical: 911
  - Counseling: 211
  - Borgess Medical Center ER (269) 226-4815
  - Bronson Hospital ER (269) 341-6386

Pharmacy
Our pharmacy offers prescription drugs that may be ordered by our medical staff or your family clinician. Prescriptions may also be transferred to Sindecuse from your hometown pharmacy. We carry a wide variety of over-the-counter medications including aspirin, cough medicine, vitamins and much more.

Sharing your health information
We do not notify parents or guardians when their adult child visits the health center. Inquiries about medical treatment, insurance and billing concerns are all protected health information only shared with someone other than the patient if a written authorization is on file. Patients sometimes choose to release only billing information and limit access to medical information.
wmich.edu/healthcenter/about/forms

Minors
If a student is under 18, a parent or guardian’s authorization is required on a consent form before we can provide treatment. Health Center staff make every effort to contact a parent in the event of an emergency or serious illness affecting a minor child. This authorization is effective until the student turns 18.

Counseling and Psychiatry
Counseling is offered at no charge to students. Visit the health center during regular hours to see a counselor. No appointment is needed for your first counseling visit. Psychiatry appointments are available by referral from a primary care clinician or a counselor.

Success at WMU
www.wmich.edu/success

Success at WMU is a large-scale campus commitment to build on past WMU success with learning communities. This new initiative ensures that you, as a new first-year or transfer student, will be a part of a learning community led by a peer leader and assisted by faculty and staff throughout your entire first year at WMU.

The learning communities are intended to not only help welcome and orient you, but also aid you in building skills and making the connections essential for success at the University.

WMU is committed to YOUR success!

Academic Resource Center
www.wmich.edu/tutoring

The Academic Resource Center offers two programs to help you be the most successful you can be at WMU and beyond.

Supplemental Instruction is available in tougher courses on our campus. An SI leader holds three one-hour review sessions each week, helping students learn how to succeed in the course. Take advantage of SI if it is offered in any of your classes.

College Success Seminars offers many different topics available through e-Learning. Topics include test-taking strategies, time management, note-taking, coping with test anxiety, as well as several others.

Writing Center
www.wmich.edu/writingcenter

The Writing Center will help you:

- Help you understand and apply options for improving writing.
- Empower you to independently deploy effective writing strategies.

Consultants are available for appointments (lasting up to 50 minutes) or drop-ins (25 minutes).

TIP: Use flash cards; you can then pull them out of your backpack to review in little pockets of time.
**Bronco Study Zone**  
www.wmich.edu/arts-sciences/academics/student-success

The BSZ offers a learning environment in which you can receive academic support designed to enhance learning and collaboration toward the goal of academic success.

---

**Gateways to Completion Program**  
www.wmich.edu/arts-sciences/academics/student-success

G2C helps you achieve success early on in your academic career. Gateway courses come near the beginning of a program and are required for every student graduating in the discipline, like PSY 1000 for psychology majors. The program offers direct support to you in gateway courses via in-class assistance and by facilitating study sessions to review course objectives and develop effective study techniques.

---

**Math and Science Success Center**  
www.wmich.edu/arts-sciences/academics/student-success

The Math and Science Success Center offers free drop-in tutoring in introductory biology, chemistry, mathematics, physics, and psychology courses.

---

**SPuRS**  
www.wmich.edu/business/academics/SPuRS

Developing all the skills that will make you successful in your career (through this co-curricular program) is the goal behind the SPuRS program at HCoB.

---

**College of Education & Human Development Office of Student Success & Retention**  
www.wmich.edu/education/academics/student-success

Unique services are offered to all CEHD majors that assist with forward progression (e.g., #MotivationMonday text messaging campaign). The Students Excelling in Education and Development peer mentoring program provides academic and social connectedness that increases student success, program engagement, and university and community involvement for all program participants.

---

**STEP Student Success Centers**  
www.wmich.edu/STEP/about/successcenter

STEM Talent Expansion Program (STEP) employs tutors to help with math, physics, chemistry, computer science, and most engineering subjects.

---

**TRiO SSP & FESP**  
www.wmich.edu/triostudentsuccess

TRiO SSP & FESP are Department of Education grant-funded programs for first generation, income-eligible students. They assist eligible students throughout all years at WMU.

---

**Broncos FIRST**  
www.wmich.edu/broncosfirst

Broncos FIRST is a program available to beginner students only and is designed to help you get off to a great start here at Western. A two-semester first year experience course and mentoring is offered to you.

**DOWNTOWN KALAMAZOO**
Restaurants, nightclubs, microbreweries, and specialty shops downtown create the kind of energy that only a vibrant city center can offer. Downtown has six distinctive districts including the Kalamazoo Mall, the first outdoor pedestrian mall in America.

**GILMORE CAR MUSEUM**
On a 90-acre historic campus midway between Detroit and Chicago automotive history comes to life right before your eyes. The Gilmore Car Museum houses one of Michigan’s largest collections of classic and vintage automobiles.

**ARTS | CULTURE | THEATRE**
Whether you’re an artist or a fan of the arts, you’ll find plenty of action here. Kalamazoo has more than 10 live performance theaters, numerous schools of art and design, cool galleries, and a dynamic monthly Art Hop featuring local artists showcasing their talent around the city.

**AIR ZOO**
A world-class, Smithsonian-affiliated aerospace and science education center with over 60 rare and unique aircraft & spacecraft, full-motion flight simulators, inspiring interactive exhibits, indoor amusement park-style rides, a 4D movie theater, and hands-on STEAM education programs.

**KALAMAZOO NATURE CENTER**
The Kalamazoo Nature Center is recognized as one of the nation’s best nature centers. Since 1960, the Kalamazoo Nature Center has been inspiring people to care about the environment by providing experiences that lead them to understand their connection to the natural world.

**BREWERIES | WINERIES | DISTILLERIES**
Southwest Michigan produces some of the most delicious wines in America. We are also home to Michigan's oldest microbrewery and craft brewer east of Colorado. Participate in our Give A Craft® Beer Trail program or take a guided tour around one of the top beer destinations in the world.

**TRAILS**
Kalamazoo offers a wide variety of bicycle trails for riders of any level, from scenic trails that meander through meadows and overlook the river, to challenging single tracks, you’ll find the perfect trail for your adventure.

**KALAMAZOO INSTITUTE OF ARTS**
Since 1924, the institute has offered art classes, exhibitions, lectures, events, activities and a permanent collection. Their mission is to cultivate the creation and appreciation of the visual arts in West Michigan.

**SAVOR THE FLAVORS**
To get a real sense of the flavor of Kalamazoo, you need to sample our food. Go ahead, eat, drink & gather merrily. With more than 500 restaurants to meet every craving and budget, you’re sure to find the place that hits the spot.

**KALAMAZOO VALLEY MUSEUM**
With free general admission, families of all ages can spend a day at this amazing, awe-inspiring, and ever-changing museum. Planetarium shows, hands-on crafts, lectures and musical performances round out the offerings.

Advice From Our Team

My biggest advice is to not be afraid to step outside of your comfort zone and get involved!

-Grace Hearl

My advice to transfer students would be to put yourself out there and trust yourself. I know it can be really hard to take chances and try new things, but it's the best way to make friends and adjust to a new environment. Just be yourself and do what you want to make college fun and rewarding!

-Jillian Brown

-Allie Adent

My advice to other transfer students is to get involved on campus in order to network and feel more connected to your university. Western has so many great opportunities to explore your interests and meet others who are interested in the same things.

-Stephanie Hauser

You will only regret the things you didn’t do! Take chances, talk to people you don’t know, and actively participate. You will get what you put in and trust me Western has a lot to give.

-Tori Stevens

My advice to incoming students is to explore yourself, your culture and your perceptions by stepping outside of your box!
