WMU Course Offerings

Welcome to WMU's course offerings! To view the schedule, first select the term, then you can select any combination of campus, instructional method, subject, instructor and course number to find the courses of interest to you. Click on the course title to see the course description, pre-requisites, restrictions, course fees, as well as other additional information related to the course. Textbook information is also provided, as available.

Undergraduate courses at regional locations are not part of the undergraduate flat rate structure. Students enrolled in a combination of undergraduate courses on the main campus and online, who fall in the flat rate credit hour range, may see an adjustment on their account to reflect the flat rate. See graduate and undergraduate tuition for regional locations and online education at: <https://www.wmich.edu/offcampus/tuition.php>.

To enroll in courses at WMU you must be an admitted student. For information on admission, please see [the admissions website](#), or contact the Admission's Office at (269) 387-2000.

For further information on the registration process, please contact the Registrar's Office, by phone, 269-387-4300 or by email, registrar-info@wmich.edu.

For current tuition information, please see: <http://www.wmich.edu/registrar/tuition>.

Spring 2016 Course Offerings

Campus Information:
To view online course offerings, please select **Online Education** as the campus.
To view Open Learning courses, please select **Open Learning-Online** as the campus.

Instructional Method Information:

- Online courses - no required face-to-face meetings, delivery is all online.
- Hybrid courses - there is a mix of distance and face-to-face instruction, with at least 51% of the instruction online.
- Compressed Video Semester - courses taught using compressed video interactive television, CVIT. CVIT is a video over internet protocol system that prov
- Study Abroad - courses taught at sites outside of the United States.
- Traditional - courses taught face-to-face in a classroom in Kalamazoo or at a regional site.
- Open Learning - self-paced, undergraduate online courses with flexible start/end dates; students have up to 6 months to complete the course.

Undergraduate courses at regional locations are not part of the undergraduate flat rate structure. Students enrolled in a combination of undergraduate course: their account to reflect the flat rate. See graduate and undergraduate tuition for regional locations and online education at: <https://www.wmich.edu/offcampus/t>

Click on the course title for more course information, including the course description and textbook information.

For more information on how waitlisting works, please see <http://www.wmich.edu/registrar/students-registration-waitlisting>

- Foreign Languages is now World Languages and Literatures.
