example,	1											
Alcohol and Drug Abuse (ADA/SPADA)	1											
Organization Change Leadership (OCL) Public Affairs and Administration (PADM)												
Sociology (SOC)	1											

Class Delivery Method Information:

- In-person Traditional classroom work that meets at certain times and locations.
- **Hybrid** A combination of classroom and virtual work and meeting times.
- **Asynchronous** distance education Distance education classes that do not require you to meet at scheduled times.
- Fully synchronous distance education Distance ed classes that meet at scheduled times like an in-person class
- Partially synchronous distance education Distance ed classes that have some synchronous and some asynchronous instruction.
