

**WMU Faculty Senate
Extended University Programs Council
CHARGES for 2014-2015**

William Rantz serves as the Senate Executive Board representative on EUPC.

The Faculty Senate Executive Board charges the Extended University Programs Council to consider, as a committee of the whole or through the appropriate sub-committee or task force, the following issues:

1. Review internal curriculum processes and procedures to ensure the University is efficient and effective in responding to external opportunities in relation to EUP.
2. Implement, coordinate and promote faculty recognition awards for innovative teaching and engaged outreach.
3. Formulate a process for gathering ideas, concerns and interests of the faculty at the department and college level to be discussed and reviewed.
4. Develop recommendations for access and support services offered to students.
5. Explore competency based learning models and make recommendations to the University for implementation.
6. Evaluate and provide input on alternative and innovation learning programs such as middle colleges and on-line dual enrollment.
7. Address any continuing or outstanding issues or initiatives as deemed necessary by the council. To the extent possible conclude any outstanding initiative by producing a memorandum of action, report or resolution.

NOTE: The Extended University Programs Council is expected to keep the Senate Executive Board apprised of progress, especially in connection with any MOA it may develop and to give advance notice of any action it seeks to place on the Senate agenda, including the final text of any proposed MOA, report or resolution. The Executive Board should also be notified of substantive procedural issues addressed by the council. *A written summary of the council's progress on the above charges and any other activities undertaken is due no later than June 30, 2015.*
