\*See Degree Works for your WES course options; choose a subject other than FCS.

%Only 3 FCS courses can also count toward WES requirements.

+May not need all elective credits listed in senior year. All students need a minimum of 122-credits to graduate. If you choose to pursue a minor, minor courses could satisfy some elective credits.

**NOTE:** This plan is not a binding contract, but rather is a rough guide and may change according to factors including, but not limited to, course availability. Your advisor and major/program department(s) will work with you throughout your time at WMU to ensure the best possible path to graduation.
