SUBJECT: Important Update - Clarification on Your New BASIC Card

Dear Valued Participant,

If you haven't already, soon you will receive a BASIC MyCash Card! Inserted within the BASIC Card package, there is a flyer called **One Card | One Experience**. Please note that this flyer does not pertain to your account and can be ignored. We apologize for the confusion.

MyCash is an individual cash account that securely holds your reimbursement funds until you spend or move them. Once you submit a request for reimbursement via the new BASIC benefits app or online, approved reimbursements are deposited directly into your MyCash account, which is faster than direct deposit! BASIC will process reimbursement requests daily.

When you receive the Consumer Driven Accounts welcome message from BASIC, you can begin using your BASIC Card, the website, and our mobile app.

We look forward to upgrading you to the new experience and please contact us with any questions or concerns.

Sincerely,
Your BASIC CDA Team
