Your WMU Health Benefits

No matter what life throws at you, your WMU benefits are designed to keep you and your family healthy and to sustain you when you’re not. Take a look at the programs and incentives that support your physical, financial and emotional health, including fully covered preventive care (annual checkups, immunizations, tests and screenings) and a tax-free way to save on out-of-pocket health and dependent care expenses.

You can find additional benefits information on the Human Resources webpage at [wmich.edu/hr](http://wmich.edu/hr). Select your Employee Group, then select Benefit details.

Eligibility and Enrollment

As a full-time employee, you and your family are eligible for the health benefits described in this guide. You have the opportunity to enroll in benefits (or make changes to existing coverage if you have it):

- As a new employee
- During the annual Open Enrollment period (typically in the fall)
- When you experience a qualifying life event
- As a newly benefits-eligible employee

Your benefit elections take effect the day you begin work; unless you make changes, they’ll roll over from year to year, with one exception: To make pretax contributions to a health care flexible spending account (FSA) or a dependent care FSA, you must make an election each year during annual Open Enrollment.

Enrolling as a new or newly benefits-eligible employee

You have 30 days from your start date to elect—or waive—health benefits for the current calendar year. Your elections will remain in effect through December 31, unless you experience a qualifying life event and make changes to your coverage.

You’ll find additional information on the Human Resources webpage at [wmich.edu/hr](http://wmich.edu/hr). Select your Employee Group, then select Benefits enrollment information for new employees.

When you’re ready to enroll, visit [wmich.edu/hr/forms](http://wmich.edu/hr/forms), and select Benefit Enrollment and Changes. Complete the appropriate form(s), then submit them to Human Resources within 30 days.

Qualifying Life Events

Outside of annual open enrollment, you can make changes to your current benefit elections only if you experience a qualifying life event. These include losing other coverage, getting married or divorced, and having a baby or adopting a child. A change in childcare arrangements is also considered a qualifying life event and allows you to make changes to your Dependent Care FSA.

To make mid-year enrollment changes after a qualifying life event, visit [wmich.edu/hr/forms](http://wmich.edu/hr/forms), and select Benefit Enrollment and Changes. Complete the appropriate form(s), then submit them to Human Resources within 31 days of the event.
New Hire Checklist

☐ Read this Health Care Benefits Guide to learn about the health care benefits available to you. Choose the ones that are the best fit for you (and your family).

   » To find additional plan information and forms, visit the Human Resources webpage at wmich.edu/hr. Select your Employee Group, then select Benefit details.

☐ Complete a Health Insurance Enrollment and Change Form to enroll in a health plan, and, if relevant, review the dependent eligibility criteria. To add a designated eligible individual to the health plan, also complete the designated eligible individual enrollment form. Gather the supporting documentation you’ll need to submit with the applicable forms.

☐ Enroll in a health care FSA and/or dependent care FSA for 2021 by completing and submitting a BASIC Flex Enrollment Form.

☐ Complete and submit enrollment forms—along with any required supporting documentation—to Human Resources by mail, fax or email within 30 days of your start date.

If you don’t enroll

– You and your dependents will not have WMU health benefits in 2021.
– Unless you experience a qualifying life event (loss of coverage, marriage, divorce, adding to your family, etc.), you will need to wait until the next Open Enrollment period to make changes to your benefits that take effect January 2022.

For additional information contact Human Resources.
Western Wellness

Your well-being matters—to you, your family and to WMU! That’s why we created Western Wellness, a consortium of services and resources to help you maintain and improve your health. And if better health isn’t reward enough, when you participate in the Western Wellness program, you’re eligible for the wellness incentive—a reduction in your health plan contributions ($240 for 2021). Here’s how it works:

- To be eligible for the wellness incentive, you need to complete an annual health risk assessment, a biometric screening and a coaching session.
- Upon completion of these steps, you’ll receive the premium reduction on each paycheck for 2021, beginning the next quarter.
- If you complete the wellness incentive by the end of 2021, you’ll receive the wellness incentive in 2022.
- To retain the incentive year after year, you’ll need to complete the program requirements every calendar year.

For details, visit wmnich.edu/wellness.
Community Blue PPO Medical Plan

The Blue Cross Blue Shield of Michigan (BCBSM) Community Blue PPO plan includes prescription drug coverage and preventive care at no additional cost to you. The plan uses a specific network of providers and facilities to offer the highest-quality care at the lowest rates.

The plan offers set copays for some services, like doctor’s visits and prescriptions. For other services, such as diagnostic tests and hospital stays, you must first meet your annual deductible. Then, the plan will pay 80% of expenses, and you’ll pay 20% coinsurance—up to an annual cap. If you contribute pretax dollars to a health care flexible spending account (FSA), you can use this money to cover eligible out-of-pocket health expenses.

To locate a provider, visit bcbsm.com and select Find a Doctor. For your plan, select Community Blue PPO.

Learn more about the Community Blue PPO plan.

Plan highlights

- Provider choice—stay in-network or use an out-of-network provider or facility. And you don’t need a referral to see a specialist.
- You’ll pay more out of pocket if you use an out-of-network provider, and some services may not be covered.
- Includes 24/7/365 virtual care through Blue Cross Online VisitsSM.
- Sindecuse Health Center is in-network, including preferred pricing at Sindecuse Pharmacy.
- WMU Unified Clinics provide services to you and your family. Plan coverage and costs vary by service.
- Nationwide coverage through BCBS PPO networks.

Don’t want to leave home for care?

You don’t have to. The Community Blue PPO plan offers virtual medical and mental health visits to you and your covered dependents through Blue Cross Online Visits. See a certified health professional, 24/7/365—wherever you are—using your smartphone, tablet or computer. If you need medication, the doctor can send a prescription directly to your pharmacy. You’ll pay no copay for a medical visit; for behavioral care, you’ll pay a $35 copay.

You can get help for conditions including cough, sinus infection, sore throat, bronchitis, fever, diarrhea, pink eye, cold, flu, headache, weight concerns, smoking cessation, depression, anxiety, grief and insomnia.

To get started, visit bcbsmonlinevisits.com, add the app to your smartphone or tablet, or call (844) 606-1608.

* Prior authorization required

For coverage details, review the Community Blue PPO plan Benefits at a Glance. You’ll find additional information on the Human Resources website at [wmich.edu/hr](http://wmich.edu/hr). Choose your [Employee Group](http://wmich.edu/hr), then select [Benefit Details](http://wmich.edu/hr).
Prescription Drugs

Prescription drug coverage is included with your medical plan. What you pay depends on the medication type, fill quantity and where you fill the prescription. In addition to retail and mail-order pharmacy options, you can also fill your prescriptions at Sindecuse Pharmacy with preferred pricing.

What you pay

Refill maintenance meds by mail and pay less

Save time—and money—when you fill a 90-day prescription using Express Scripts mail-order pharmacy. Depending on the medication, you could pay less than you would if you filled the same prescription at a retail pharmacy. To get started, visit Express Scripts.

Special circumstances for some drugs

To ensure you’re receiving the most appropriate and cost-effective therapy, certain prescription drugs require prior authorization or step therapy before they’re covered. Step therapy involves trying less expensive options before the brand-name drug will be covered. View the step therapy overview and drug list.
Pretax Payroll Deduction Amounts

Following are your pretax contributions per pay period for medical and prescription drug coverage. To earn or maintain the wellness incentive rate reduction, you must complete the Western Wellness program requirements.

Flexible Spending Accounts

Your paycheck goes further when you set aside pretax dollars in a health care flexible spending account (FSA) or a dependent care FSA. That’s because you don’t pay federal or state income taxes on your contributions. BASIC is the administrator for both FSAs.

When you have an eligible expense, submit a claim for reimbursement through your BASIC account or with the BASIC mobile app. You’ll be reimbursed via your BASIC MyCash account. You can access those funds in three ways:

• Swipe your BASIC card at any merchant that accepts Mastercard.
• Make a withdrawal at an ATM (with a PIN), using your BASIC card.
• Transfer funds to a personal bank account online or with the BASIC mobile app.

Health care FSA
You can contribute up to $2,700 for 2021 and be reimbursed for IRS-approved health care expenses not covered by your medical plan. The full amount will be available for you to use on Jan. 1, 2021. Plan carefully; you may carry over up to $550 in unused funds to 2022, but you’ll forfeit any amount over that. You have until March 31, 2021, to submit 2020 expenses for reimbursement.

Dependent care FSA
You can contribute up to $5,000 a year to cover eligible day care for children and qualified elders (or $2,500 if married and filing a separate tax return), so you and your spouse can work. Just like a bank account, you can use only what is currently available in your account. Your annual contribution is divided and deposited into your FSA each pay period. You can then submit claims to reimburse yourself for dependent care expenses that you pay out of pocket. Be sure to budget carefully for 2021; you’ll forfeit any contributions you don’t spend by Dec. 31, 2021.

To contribute to an FSA in 2021, complete a BASIC Flex FSA enrollment form, and submit it by Nov. 20. FSA elections do not carry over from one year to the next. You can access your FSA online or through the BASIC mobile app.

24/7 Support When You Need It
Employee Assistance Program

That’s what the Employee Assistance Program is all about. HelpNet’s licensed counselors offer you and members of your household no-cost, confidential, short-term counseling for a range of issues. They can help with marital and family concerns, addiction, grief and loss, relationships, stress, anxiety, legal and financial issues, and depression. They can also provide referrals to child care and adult care providers.
