Open Enrollment Checklist

☐ Review your current benefits elections, and think about how your needs may be different next year.
  – Review your current benefit elections by logging into GOWMU, choose Employee Self-Service, then Benefits Details.
  – To find your 2021 plan information and forms, visit wmic.edu/hr/openenrollment, and select your Employee Group.

☐ Read this Benefits Enrollment Guide to learn what's new and changing for 2021.

☐ Visit the 2020 Benefits-Wellness Virtual Expo online, Nov. 2-20, at wmic.edu/hr/benefits-expo. Catch live events Monday, Nov. 2–Friday, Nov. 6.

☐ Complete a Health Insurance Enrollment and Change Form to change health plans—or add, drop or change coverage for dependents. To add an eligible dependent to the health plan, complete the designated eligible individual enrollment form. Gather the supporting documentation you’ll need to submit with it, as noted on the form.

☐ Enroll in a health care FSA and/or dependent care FSA for 2021 by completing and submitting a BASIC Flex Enrollment Form.

☐ Update your address and life insurance beneficiaries on Employee Self Service > Benefits Details at GOWMU. Update your 403(b) plan beneficiaries at TIAA.

☐ Complete and submit enrollment and change forms—along with any required supporting documentation—to Human Resources by mail, fax or email by Friday, Nov. 20.

For additional information contact Human Resources.

If you don’t enroll

• You won’t be able to contribute pretax dollars to a health care or dependent care flexible spending account (FSA).
• You and your covered dependents will have the same medical, dental and vision benefits you had in 2020.
• If you waived coverage in 2020, you will not have coverage in 2021.
• Unless you experience a qualifying life event (marriage, divorce, adding to your family, etc.), you will need to wait until the next Open Enrollment period to make changes to your benefits that take effect January 2022.
Open Enrollment is Nov. 2-20

Despite so much changing around us, there’s one constant you and your family can depend on: your WMU benefits.

Open Enrollment is your once-a-year opportunity to make changes to your benefits. Outside of experiencing a qualifying life event, like getting married or expanding your family, it's the only time you can add or drop coverage for yourself or a dependent, or change health plans.

It’s also an ideal time to take a second look at your current benefit elections and review all the options available to you for 2021. If you’ve experienced significant changes in the past year, a different plan could be a better fit for you going forward. Please verify that the address we have for you is current, and make any updates to your life insurance beneficiaries on Employee Self Service at GOWMU. Visit TIAA to update your 403(b) beneficiaries.

If you make no changes to your current benefit elections, they’ll carry over to 2021, with one exception: To make pretax contributions to a health care flexible spending account (FSA) or a dependent care FSA in 2021, you must enroll.

Your elections take effect Jan. 1, 2021.

What’s new for 2021

Your plan options and coverage will not change for 2021, but please note the following:

- Payroll contributions will be adjusted. View your 2021 health plan payroll contributions on page 11.
- The Benefits-Wellness Expo has gone virtual this year, with webinars, videos and chat rooms. Visit the Expo online, Nov. 2-20, at wmich.edu/hr/benefits-expo. Don’t miss the live events Monday, Nov. 2–Friday, Nov. 6.
- If you have a health care flexible spending account:
  - You can roll over up to $550 of your unused 2020 health care FSA balance to use in 2021; you’ll forfeit anything over that amount.
  - BASIC’s new reimbursement bank card, website and mobile app make it easier than ever to manage your FSA. Learn more on page 12.
Benefits That Support Your Evolving Needs

No matter what life throws at you, your WMU benefits are designed to keep you and your family healthy and to sustain you when you’re not. Take a look at the programs and incentives that support your physical, financial and emotional health, including fully covered preventive care (annual checkups, immunizations, tests and screenings) and dental cleanings.

Western Wellness

Your well-being matters—to you, your family and to WMU! That’s why we created Western Wellness, a consortium of services and resources to help you maintain and improve your health. And if better health isn’t reward enough, when you participate in the Western Wellness program, you’re eligible for the wellness incentive—a reduction in your health plan contributions ($240 for 2021). Here’s how it works:

To be eligible for the wellness incentive, you need to complete an annual health risk assessment, a biometric screening and a coaching session. If you complete the wellness incentive by the end of 2020, you’ll receive the wellness incentive in 2021. To retain the incentive year after year, you’ll need to complete the program requirements every calendar year.

For details, visit wmich.edu/wellness.
Medical Plans Overview

When you elect either the Blue Cross Blue Shield of Michigan (BCBSM) Community Blue PPO plan or the Blue Care Network (BCN) Healthy Blue Living HMO plan, you'll automatically be enrolled in the dental and vision plans. Both medical plans include prescription drug coverage and preventive care at no additional cost to you. And each plan uses a specific network of providers and facilities to offer the highest-quality care at the lowest rates.

### How the plans compare

**Community Blue PPO**
- Provider choice—stay in-network or use an out-of-network provider or facility. And you don’t need a referral to see a specialist.
- You’ll pay more out of pocket if you use an out-of-network provider, and some services may not be covered.
- Higher payroll deductions.
- Includes 24/7/365 virtual care through Blue Cross Online Visits™.
- Sindecuse Health Center is in-network, including preferred pricing at Sindecuse Pharmacy. For some services, you’ll be billed for up to only 50% of the in-network plan deductible.
- WMU Unified Clinics provide services to you and your family. Plan coverage and costs vary by service.
- Nationwide coverage through BCBS PPO networks.

**Healthy Blue Living HMO**
- Wellness-focused plan that rewards members with lower out-of-pocket costs when they commit to work toward and maintain specific wellness requirements.
- In-network coverage only, through the Blue Care Network (BCN) for Michigan providers.
- You must designate a primary care provider (PCP) to coordinate your care and have a visit with your PCP within 90 days of your coverage start date.
- Lower payroll deductions.
- You must have a referral from your PCP to see most specialists, or the visit will not be covered.
- Although you may fill prescriptions at the Sindecuse Pharmacy, medical services at Sindecuse Health Center are not covered.
- If you travel out of state, emergency room visits are covered at the in-network rate.
Community Blue PPO

The PPO offers set copays for some services, like doctor’s visits and prescriptions. For other services, such as diagnostic tests and hospital stays, you must first meet your annual deductible. Then, the plan will pay 90% of expenses, and you’ll pay 10% coinsurance—up to an annual cap. If you contribute pretax dollars to a health care flexible spending account (FSA), you can use this money to cover eligible out-of-pocket health expenses.

To locate a provider, visit bcbsm.com and select Find a Doctor. For your plan, select Community Blue PPO.

Learn more about the Community Blue PPO plan.

Don’t want to leave home for care?

You don’t have to. The Community Blue PPO plan offers virtual medical and mental health visits to you and your covered dependents through Blue Cross Online Visits. See a certified health professional, 24/7/365—wherever you are—using your smartphone, tablet or computer. If you need medication, the doctor can send a prescription directly to your pharmacy. You’ll pay no copay for a medical visit; for behavioral care, you’ll pay a $30 copay.

You can get help for conditions including cough, sinus infection, sore throat, bronchitis, fever, diarrhea, pink eye, cold, flu, headache, weight concerns, smoking cessation, depression, anxiety, grief and insomnia.

To get started, visit bcbsmonlinevisits.com, add the app to your smartphone or tablet, or call (844) 606-1608.
Healthy Blue Living HMO

The Healthy Blue Living HMO is a wellness-focused plan that rewards members with lower out-of-pocket costs when they commit to work toward and maintain specific wellness requirements. The plan offers two benefit levels: enhanced and standard. Your out-of-pocket costs will be lower at the enhanced benefit level. You’re automatically enrolled at the enhanced level, but you’ll need to meet Healthy Blue Living HMO wellness requirements within 90 days to continue to qualify for enhanced benefits.

If you’re a current participant, you’ll begin the next calendar year at your previous benefit level. Example: You end 2020 at the standard level, so you’ll start 2021 with standard-level coverage. If you meet the enhanced-level qualifications within 90 days, your move to enhanced-benefit-level benefits will be retroactive to Jan. 1.

The HMO plan offers only in-network coverage through the BCBSM Blue Care Network. You must choose a primary care provider to coordinate your care, including referrals to specialists.

If you travel out of state, emergency room visits are covered at the in-network rate. Nonemergency care is covered at the in-network rate if you go to a BlueCard provider/facility. If you go out of state specifically to receive care, you must call your PCP beforehand to get required authorizations and arrange for coordinated care.

Qualifying for enhanced benefits with Healthy Blue Living requirements

Within 90 days:

- Visit your primary care physician (PCP) in time for the doctor to submit your health qualification form electronically.*
- Take an interactive health assessment; log in as a member at bcbsm.com.

If you don’t meet the tobacco use or weight targets, take the following steps.

Within 120 days:

- If you’re a tobacco user, enroll in the BCN tobacco-cessation program. You must continue to participate until you stop using tobacco.
- If you have a body mass index (BMI) of 30 or more, join a BCN weight-management program.** You must participate until your BMI falls below 30.***

Qualifying for standard benefits

If you don’t meet the requirements for enhanced benefits, everyone on your plan will move to the standard level 91 days after the start of your plan year. You’ll stay at that level through the rest of the calendar year.

Learn more about the Healthy Blue Living HMO plan.

* You can submit qualification forms from office visits up to 180 days before the plan year begins (i.e., from office visits July 1–Dec. 31 of the previous year) if you are currently on the HMO plan.
** Consult with your BCN PCP before starting a regular exercise or weight-management program.
*** If you want to switch weight-management programs within the 120-day time frame, call BCN customer service.

For coverage details, review the Community Blue PPO plan Benefits at a Glance and the Healthy Blue Living HMO plan Benefits at a Glance. You’ll find both documents on the HR website at wmich.edu/hr. Choose your Employee Group, then select Benefit Details.
## Prescription Drugs

Prescription drug coverage is included with your medical plan. What you pay depends on your plan coverage, the medication type, fill quantity and where you fill the prescription. In addition to your plan’s retail and mail-order pharmacy options, you can also fill your prescriptions at Sindecuse Pharmacy. You’ll receive preferred pricing there when you’re a Community Blue PPO plan member.

## Refill maintenance meds by mail and pay less

Save time—and money—when you fill a 90-day prescription using Express Scripts mail-order pharmacy. Depending on the medication, you could pay less than you would if you filled the same prescription at a retail pharmacy. To get started, visit [Express Scripts](#).

## Special circumstances for some drugs

To ensure you’re receiving the most appropriate and cost-effective therapy, certain prescription drugs require [prior authorization](#) or step therapy before they’re covered. Step therapy involves trying less expensive options before the brand-name drug will be covered. [View the step therapy overview and drug list](#).
Dental Plan

Dental coverage is included when you’re enrolled in the Community Blue PPO or Healthy Living HMO Medical Plan. The Blue Dental PPO plan offers both in- and out-of-network coverage, but you’ll always pay less when you use a dentist in the BCBSM Blue Care Network.

Tip: Have your Blue Cross member ID card handy when you make your appointment. Use your 9-digit enrollee ID on the front of your card if you need to verify coverage.

To find a PPO network dentist in your area or to confirm if your regular dentist is in-network, visit mibluedentist.com.

For details, including what you’ll pay for out-of-network dental care, review the Benefits at a Glance on the HR website at wmich.edu/hr. Also, you or your provider can call the number on your ID card, (800) 826-8152, from 8 a.m. to 6 p.m., Monday through Friday.

Vision Plan

Vision coverage is included when you’re enrolled in the Community Blue PPO or Healthy Living HMO Medical Plan. As a member of the Vision plan, you receive a 20% discount on services through the Vision Service Plan (VSP) network.

When you see a VSP provider for an eye exam, you’ll pay only a $10 copay. And if you need glasses, you have a $400 allowance for prescription lenses and frames and/or contact lenses, with no copay. You can use this benefit once every 24 months. Other limitations and exclusions may apply. To choose a VSP provider, visit vsp.com.

For details, review the Benefits at a Glance on the HR website at wmich.edu/hr.
Pretax Payroll Deduction Amounts

Following are your pretax contributions per pay period for medical, prescription drug, dental and vision coverage. To earn or maintain the wellness incentive rate reduction, you must complete the Western Wellness program requirements.

Flexible Spending Accounts

Your paycheck goes further when you set aside pretax dollars in a health care flexible spending account (FSA) or a dependent care FSA. That’s because you don’t pay federal or state income taxes on your contributions. BASIC is the administrator for both FSAs.

When you have an eligible expense, submit a claim for reimbursement through your BASIC account or with the BASIC mobile app. You’ll be reimbursed via your BASIC MyCash account. You can access those funds in three ways:

- Swipe your BASIC card at any merchant that accepts Mastercard.
- Make a withdrawal at an ATM (with a PIN), using your BASIC card.
- Transfer funds to a personal bank account online or with the BASIC mobile app.

<table>
<thead>

<tbody>
<tr>
<td>You can contribute up to $2,700 for 2021 and be reimbursed for IRS-approved health care expenses not covered by your medical, dental or vision plan. The full amount will be available for you to use on Jan. 1, 2021. Plan carefully; you may carry over up to $550 in unused funds to 2022, but you’ll forfeit any amount over that. You have until March 31, 2021, to submit 2020 expenses for reimbursement.</td>
<td>You can contribute up to $5,000 a year to cover eligible day care for children and qualified elders (or $2,500 if married and filing a separate tax return), so you and your spouse can work. Just like a bank account, you can use only what is currently available in your account. Your annual contribution is divided and deposited into your FSA each pay period. You can then submit claims to reimburse yourself for dependent care expenses that you pay out of pocket. Be sure to budget carefully for 2021; you’ll forfeit any contributions you don’t spend by Dec. 31, 2021.</td>
</tr>
</tbody>
</table>

To contribute to an FSA in 2021, complete a [BASIC Flex FSA enrollment form](#), and submit it by Nov. 20. FSA elections do not carry over from one year to the next. You can access your [FSA online](#) or through the BASIC mobile app.

24/7 Support When You Need It

That’s what the Employee Assistance Program is all about. HelpNet’s licensed counselors offer you and members of your household no-cost, confidential, short-term counseling for a range of issues. They can help with marital and family concerns, addiction, grief and loss, relationships, stress, anxiety, legal and financial issues, and depression. They can also provide referrals to child care and adult care providers.
