Title and Link	Description	Sponsor	Deadline	Amount
AFCEA STEM Majors Scholarship for Diversity Students	For the 2017-2018 academic year scholarships of \$3,000 will be awarded to full-time students (women and minority students) currently pursuing a graduate degree at any accredited academic institution in the United States in an eligible major that supports the mission of AFCEA Educational Foundation. Expected graduation date cannot be in the year the scholarship is awarded.	AFCEA	22-Apr-17	3,000
Anne Anastasi general psychology graduate student research award	This award is named for the APA past president and co-founder of the society, and funded by the Anne Anastasi Foundation. Each of two recipients of this award will receive \$300 and a certificate. The winner will be decided based on the student's vitae and research plan, plus a supporting letter from the student's advisor.	American Psychological Association	15-Feb-17	300
Awards for excellence in research	Presented jointly with Mensa International, Ltd., these annual awards are given internationally for outstanding research on intelligence, intellectual giftedness and related fields. As many as 10 awards of \$500 are given to the best published papers.	Mensa Education and Research Foundation	31-Dec-16	500
Behavioral economics	The program in Behavioral Economics focuses on research that incorporates insights of psychology and other social sciences into the study of economic behavior.	Russell Sage Foundation	15-Aug-16	150,000
Community Action Research Initiative (CARI) grant	To encourage sociologists to undertake community action projects that bring social science knowledge, methods, and expertise to bear in addressing community-identified issues and concerns. Grant applications are encouraged from sociologists seeking to work with community organizations, local public interest groups, or community action projects.	American Sociological Association	15-Feb-17	3,000
Cultural anthropology	The primary objective of the Cultural Anthropology Program is to support basic scientific research on the causes, consequences, and complexities of human social and cultural variability. Anthropological research spans a wide gamut, and contemporary cultural anthropology is an arena in which diverse research traditions and methodologies are valid.	National Science Foundation	17-Jan-17	Not Available
DOE Computational Science Graduate Fellowship	The DOE CSGF is open to U.S. citizens or permanent resident aliens who plan full-time, uninterrupted study toward a Ph.D. at an accredited U.S. university. We encourage applications from students in engineering and the physical, computer, mathematical or life sciences who meet the following eligibility requirements. The fellowship provides four years of support, but must be renewed each summer.	US Department of Energy	1-Jan-17	Not Specified
DOE Office of Science Graduate Student Research (SCGSR) Program	The goal of the Office of Science Graduate Student Research (SCGSR) program is to prepare graduate students for science, technology, engineering, or mathematics (STEM) careers critically important to the DOE Office of Science mission, by providing graduate thesis research opportunities at DOE laboratories.	US Department of Energy	11-May-16	Not Specified

Empowering people scholarships	The Foundation offers several educational opportunities for audiologists and graduate students. We encourage you take advantage of these educational programs or apply for scholarship funding.	American Academy of Audiology Foundation	30-Apr-17	5,000
Field research grants	The Tinker Foundation's Field Research Grants Program is designed to provide budding scholars with a first-hand experience of their region of study, regardless of academic discipline. The grants provide graduate students with funds for travel to and within Latin America to conduct pre-doctoral research.	Tinker Foundation	1-Oct-16	45,000
Ford Foundation Fellowship Programs	Through its Fellowship Programs, the Ford Foundation seeks to increase the diversity of the nation's college and university faculties by increasing their ethnic and racial diversity, to maximize the educational benefits of diversity, and to increase the number of professors who can and will use diversity as a resource for enriching the education of all students.	Ford Foundation	November 2016	varies
Graduate Research Internship Program (GRIP)	The new internship initiative described in the GRIP Dear Colleague Letter14-084 expands opportunities for NSF Graduate Fellows to enhance their professional development by engaging in mission related research experiences with partner agencies across the federal government. GRIP is open only to NSF Graduate Fellows, recipients of the Graduate Research Fellowship Program (GRFP) award.	National Science Foundation	varies	Not Available
Hertz Foundation Graduate Fellowship Award	The Graduate Fellowship Award is based on merit (not need) and consists of a cost-of-education allowance and a personal-support stipend.	Hertz Foundation	Fall 2016	varies
Jacobs Research Funds - Group Grants	The Jacobs Research Funds (JRF) funds projects involving fieldwork with living peoples that result in publication or other dissemination of information about the fieldwork. Priority is given to research on endangered cultures and languages, and to research on the Pacific Northwest. Projects focusing on archival research are given low priority. Relevance of the project to contemporary theoretical issues in anthropology and linguistics is also a criterion used in evaluating	Whatcom Museum	15-Feb-17	6,000
Jacobs research funds - Individual grants	THIS GRANT PROGRAM supports anthropological research (socio-cultural or linguistic in content) on the indigenous peoples of Canada, Mexico, and mainland United States, including Alaska, with a focus on the Pacific Northwest.	Whatcom Museum	15-Feb-17	Not Specified
