Dear Facilities Management Employees,

On behalf of the senior leadership of Facilities Management and the Employee Engagement Core Committee, please accept our sincere thanks for your outstanding contributions to the Employee Engagement sessions. The energy, creativity and open dialogue that was experienced during the sessions was phenomenal. The presentation was designed with optimism and a bit of trepidation as to how it would be received. There was no need to worry; the interactions of all ten sessions were gratifying, exciting and refreshing. The positive energy was simply contagious! It boils down to this:

FM employees are a group of proud, professional and passionate folks!

We will be engaging you further with the actions that were developed by you and will keep you posted on all activity. Please visit the FM Employee Engagement website at <https://wmich.edu/facilities/administration/employee-engagement> as we continue to work on this initiative.

Thank you for contributing so fully into this ongoing process. Together we can make Western an even greater place to work and grow.

Sincerely,

Peter Strazdas
Associate Vice President
