The Interdisciplinary Health Services major is designed to serve four populations:

- Students who want to prepare for administrative and other non-clinical positions;
- Students interested in applying to the 4+1 Occupational Therapy program leading to a master’s degree in Occupational Therapy. Admission to this program is competitive and requires a separate application. Visit the OT website regarding this process;
- Students interested in health and human services graduate programs such as Physician Assistant (PA). Advisors will custom build programs to prepare students for graduate work;
- Students already working in health care who hold associate degrees or certificates in health related areas. This degree completion program can be completed on the main WMU campus or online.

Admissions Requirements:

- A minimum of 30 academic credits and completion of pre-professional prerequisites for the College of Health and Human Services program with a cumulative grade point average of 2.5;
- Or a minimum of 30 academic credits with a cumulative grade point average of 2.5 and current registration, certification, or licensure as a health or human services provider. These students will receive academic credit for professional course work completed through accredited associate degree programs on a course-by-course basis.

Core courses that can be taken at Delta:

<table>
<thead>
<tr>
<th>WMU courses</th>
<th>Delta courses</th>
</tr>
</thead>
<tbody>
<tr>

Additional courses required to apply to the Physician Assistant (PA) program:
BIOS 1610  BIO 171
BIOS 1620  BIO 172
CHEM 1100/1110  CHM 111 or 111H
CHEM 1120/1130  CHM 112 or 112H

General education requirements:

- Refer to WMU’s general education transfer guide.
- Many students must have a minor for graduation. Please check with your WMU advisor about courses that you can take at Delta that will count toward the minor.

Other information:

- Please visit the WMU Interdisciplinary Health Services website for more detailed information;
- Advisors at WMU will review any previous education of certified or licensed allied health professionals for credit toward the BS-IHS major;
- As a student of WMU’s IHS program you will be required to complete an internship in preparation for employment or graduate study. (Students with associate degrees in health related fields are exempt from this requirement.)
