

WESTERN MICHIGAN UNIVERSITY

Monroe County Community College

Fall 2016

Western Michigan University Interdisciplinary Health Services Curriculum Guide

The Interdisciplinary Health Services major is designed to serve four populations:

- Students who want to prepare for administrative and other non-clinical positions;
- Students interested in applying to the 4+1 Occupational Therapy program leading to a master's degree in Occupational Therapy. Admission to this program is competitive and requires a separate application. Visit the OT website regarding this process;
- Students interested in health and human services graduate programs such as Physician Assistant (PA). Advisors will custom build programs to prepare students for graduate work;
- Students already working in health care who hold associate degrees or certificates in health related areas. This degree completion program can be completed on the main WMU campus or online.

Admission Requirements:

- A minimum of 30 academic credits and completion of pre-professional prerequisites for the College of Health and Human Services program with a cumulative grade point average of 2.5;
- **Or** a minimum of 30 academic credits with a cumulative grade point average of 2.5 and current registration, certification, or licensure as a health or human services provider. These students will receive academic credit for professional course work completed through accredited associate degree programs on a course-by-course basis.

Core courses that can be taken at MCCC:

WMU courses

BIOS 2110
BIOS 2400
COM 1700
HSV 2250

MCCC courses

BIOL 157
BIOL 158 (not for PA students)
SPCH 155
PSYCH 251 or 254

SOC 2100
STAT 3660

SOC 251
MATH 162

CHEM 1100/1110
CHEM 1120/1130

BIOL 151
BIOL 264
CHEM 151
CHEM 152

General education requirements:

- Refer to WMU's [general education transfer guide](#).
- Many students must complete a minor for graduation. Please check with your WMU advisor about the courses that you can take at MC3 that will count toward that minor.

Other information:

- Please visit the WMU Interdisciplinary Health Services website for more detailed information;
- Advisors at WMU will review previous education of certified or licensed allied health professionals for credit toward the BS-IHS major;
- As a student of WMU's IHS program you will be required to complete an internship, in preparation for employment or graduate study. Students with associate degrees in health related fields are exempt from this requirement.
