

## WMU IRB Protocol Modification Submission

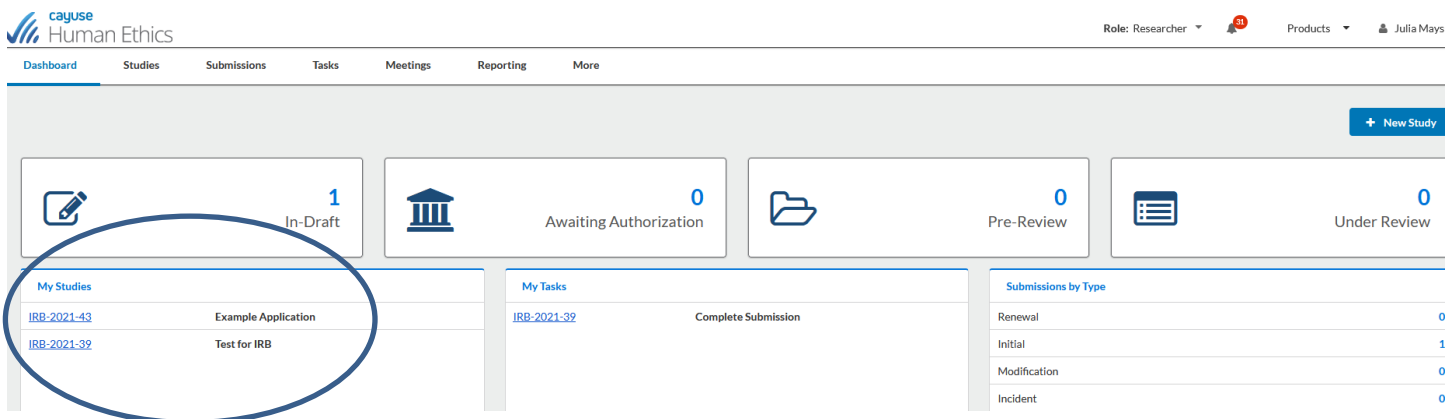

All changes to your approved IRB study must receive approval from the IRB before implementing changes (e.g., recruitment materials, consent document, instrument, etc.)

### Modification Submission:

1. To submit a request to modify your study, login to Cayuse IRB using your WMU Credentials (Bronco NetID and password) at <https://wmich.app.cayuse.com/> and from the Home page select “Products” then “Human Ethics.”

2. Select your study under *My Studies*.

3. Select New Submission and choose the appropriate application for your circumstance (i.e. Modification).

- Like all submission (initial, modification, renewal, incident, closure), your new submission will have a list of Required Tasks for you to complete before you can submit.
