

WESTERN MICHIGAN UNIVERSITY

Charles River Research Life Science Award Department of Biological Sciences

The Charles River Research Life Science Award is based on the following criteria:

1. Biological Sciences major
2. Undergraduate or Graduate Student
3. A minimum overall GPA of 3.0

The award will be made on a competitive basis taking into account the student's record and quality of application. The award amount is up to \$1000. It can be used for tuition, books, research supplies in the supervising professor's lab, or other educational expenses.

To apply for this award please submit the following by **March 31st**:

1. This cover form
2. Three letters of recommendation
3. A biographical Sketch
4. A brief (1 page) explanation of the proposed research with supply budget

Applications may be submitted electronically (with letters of recommendations coming directly from the letter writer) or via hard copy to:
