Buying Access to Eli Review
Although you have signed-up for Eli Review, you will not be able to use the platform unless you have purchased an access code. You can buy your access code in one of two ways.
   - **Note:** There is a significant price difference between the two options.

**Bookstore Option:** Purchase an Eli Review subscription card from the WMU Bookstore in the Bernhard Center. This card contains a unique access code. The price for this subscription is $33.50. You may apply financial aid toward purchases from the WMU Bookstore. The process for this purchase is the same as any purchase from the bookstore.

**PayPal Option:** Purchase an Eli Review access code online using PayPal. The price for this subscription is $18.00. You may not apply financial aid toward this
purchase. The process to complete this purchase is the same as typical purchases from PayPal.

**Note:** Be sure to enter in Western Michigan University's zip code 49008 in PayPal to receive the $18.00 price.

Regardless of which option you choose, you will need to follow these 4 steps:

1. Navigate to your name at the top right corner of your computer screen.
2. Click on your name and then choose “Account Settings.”
3. You will be redirected to an “Account Settings” page, where you can either follow the link to buy a 6-month subscription to Eli Review or you can enter your “Subscription Code” that you purchased from the WMU Bookstore.
4. Once the code has been entered and accepted, you’re ready to use Eli Review for writing, reviewing, and revising.
