American Society of Mechanical Engineers

American Society of Plumbing Engineers

ASM International - The Materials Information Society

Association for Facilities Engineering

Institute of Electrical and Electronic Engineers

Institute of Industrial Engineers

Michigan Society of Professional Engineers

Society of Automotive Engineers

Society of Manufacturing Engineers

Society of Plastics Engineers

Society of Women Engineers

For the last few months the **Engineers Week Dinner Steering Committee** has been preparing for the **39th Annual Engineers Week Dinner** event. Much of the logistics planning is now finalized, however, we are still in need of sponsors.

As in past years, we are reaching out to out to local businesses, professional societies, groups and individuals to sponsor this event. Your financial support will be used to underwrite speaker expenses, award scholarships, and subsidize dinner registration fees for hundreds of students. Options for general and scholarship donations are listed below.

In addition to general contributions, The Engineers Week Dinner Planning Committee offers the opportunity for you to sponsor a table of up to eight guests. The cost is \$500 per table. This is a great way to recognize employees' contributions.

With your help, the 2018 Engineers Week Dinner will be even more successful than previous editions. Please consider a financial contribution to the Southwestern Michigan Engineering Societies 39th Annual Engineers Week Dinner.

This year's guest speaker is comedian and engineer Don McMillan. Don has a master's degree from Stanford University and worked in Silicon Valley for 10 years. In 1991 Don left the corporate life and to pursue a career in stand-up comedy. Notable achievements include winning multiple comedy competitions and appearances in commercials, tv shows and films. His heart, however, remains in engineering and Don uses his background to take a lighthearted look at business-life, technology, and the everyday life.

Event Schedule: 5:30pm - Social Hour * 6:30pm - Dinner/Awards * 7:30pm - Presentation

To Contribute – You can make donations by filling out the form below.

(you can also contribute online at <http://wmich.edu/engineer/eweek>).

Call John Lobo (269) 342-3342 or e-mail gracaloboj@asme.org with questions.
