

Edward J. Debler, Jr. Endowment for Mechanical Engineering
Department of Mechanical and Aerospace Engineering
Western Michigan University

The Edward J. Debler, Jr. Scholarship will be awarded once annually to an outstanding student in mechanical engineering. The \$500 award is given to a student with at least 64 credit hours at Western Michigan University. Applications are evaluated on the basis of academic merit.

Guidelines:

- Applicant must be in the Mechanical Engineering undergraduate major
- Minimum GPA 3.0 (WMU transcript must be attached)
- Application must be endorsed by MAE faculty member
- Students can re-apply each year as long as they are eligible
