

Welcome

to the WMU Food Pantry

Has it been 2 weeks since you visited the food pantry?

Visits are allowed once every two weeks.

Are you enrolled in a WMU class?

Use of the food pantry requires being enrolled in a WMU class.

A maximum of 4 people may shop the pantry at a time. If this limit has been met, you will be asked to wait in the waiting area until room is made available.

- Show the worker your valid Bronco ID card.
- Register your visit by inputting your WIN number on the iPad.
- Use your two brown INP tote bags to shop the food pantry. If it is your first visit you will be provided with the bags.
- Please be aware of the products or sections with limits (signs are posted).
- Please pick items on the left side – items are stocked according to expiration date and this helps us ensure product movement.
