The Global and International Studies program presents:

**FALL WELCOME**

featuring *Indian Chai*

Thursday, September 5, 2019
3 pm to 4:30 p.m.
2041 Moore Hall

In support of Western’s goal to be globally engaged, we will be hosting several gatherings throughout the year in the style of tea and coffee traditions from around the world. Our first will focus on the coffee traditions of India. Indian chai (tea) and snacks will be served, as well as information about the cultural context of the traditional Indian chai origins, preparation, and serving. This is an open house-style gathering, so please come and go as you please!
