During their program, fellows are equipped with the knowledge and skills they will need to succeed in graduate school and ultimately, in influential roles serving the public good.</li> <li>• Once a student has successfully completed their JSI, they join an alumni network of nearly 4,000 leaders. In addition to the opportunities that this network provides for mentoring and career development, our alumni network has the opportunity to receive financial support for their graduate school education if they attend one of the programs in our Graduate School Consortium.”</li> <li>• <a href="https://www.ppiaprogram.org/ppia/">https://www.ppiaprogram.org/ppia/</a></li> </ul>
