Questionnaire 2: Global Ambassadors Scholarship Short Answer Questions

1. Be you. A common mistake is giving us an answer that you think that we want to hear. Instead, give us an answer that is meaningful to you. We want to understand who you are and where you come from; use your short answers to do that!

2. Be creative. Creativity gives a glimpse into who you are, so go for it!

3. Be concise. We are only looking for a maximum of 150 words for each question. No need to stress over writing a long essay for each.

4. Seek feedback. The best writing is always a result of revision and feedback! Use the people and resources around you: teachers; coaches; family; friends; etc. Ask them to help you brainstorm, revise, and submit.

Questionnaire 3: Global Ambassadors Scholarship Video

3. Plan ahead. Think about your filming plan beforehand: sketch a plan; get feedback; practice running through it; etc.

4. Seek feedback. The best videos are always a result of revision and feedback! Use the people and resources around you: teachers; coaches; family; friends; etc. Ask them to help you brainstorm, revise, and submit.
