Special Thanks to Our Mentors

We would like to send out a special thanks to our mentors who made all of this possible. Thank you for donating your time and effort so that dietetic students could get hands-on experience in our desired field. We are all very grateful for the opportunities that you have opened up to us. We would also like to send out a special welcome to our new mentors. The DCSP now has 32 mentors and is always looking to grow in numbers. Please contact us if you or anyone you know would like to become mentors for DCSP.
