Aviation	\$428,313
Graduate College	\$102,708
Fine Arts	\$10,623
Business	\$0

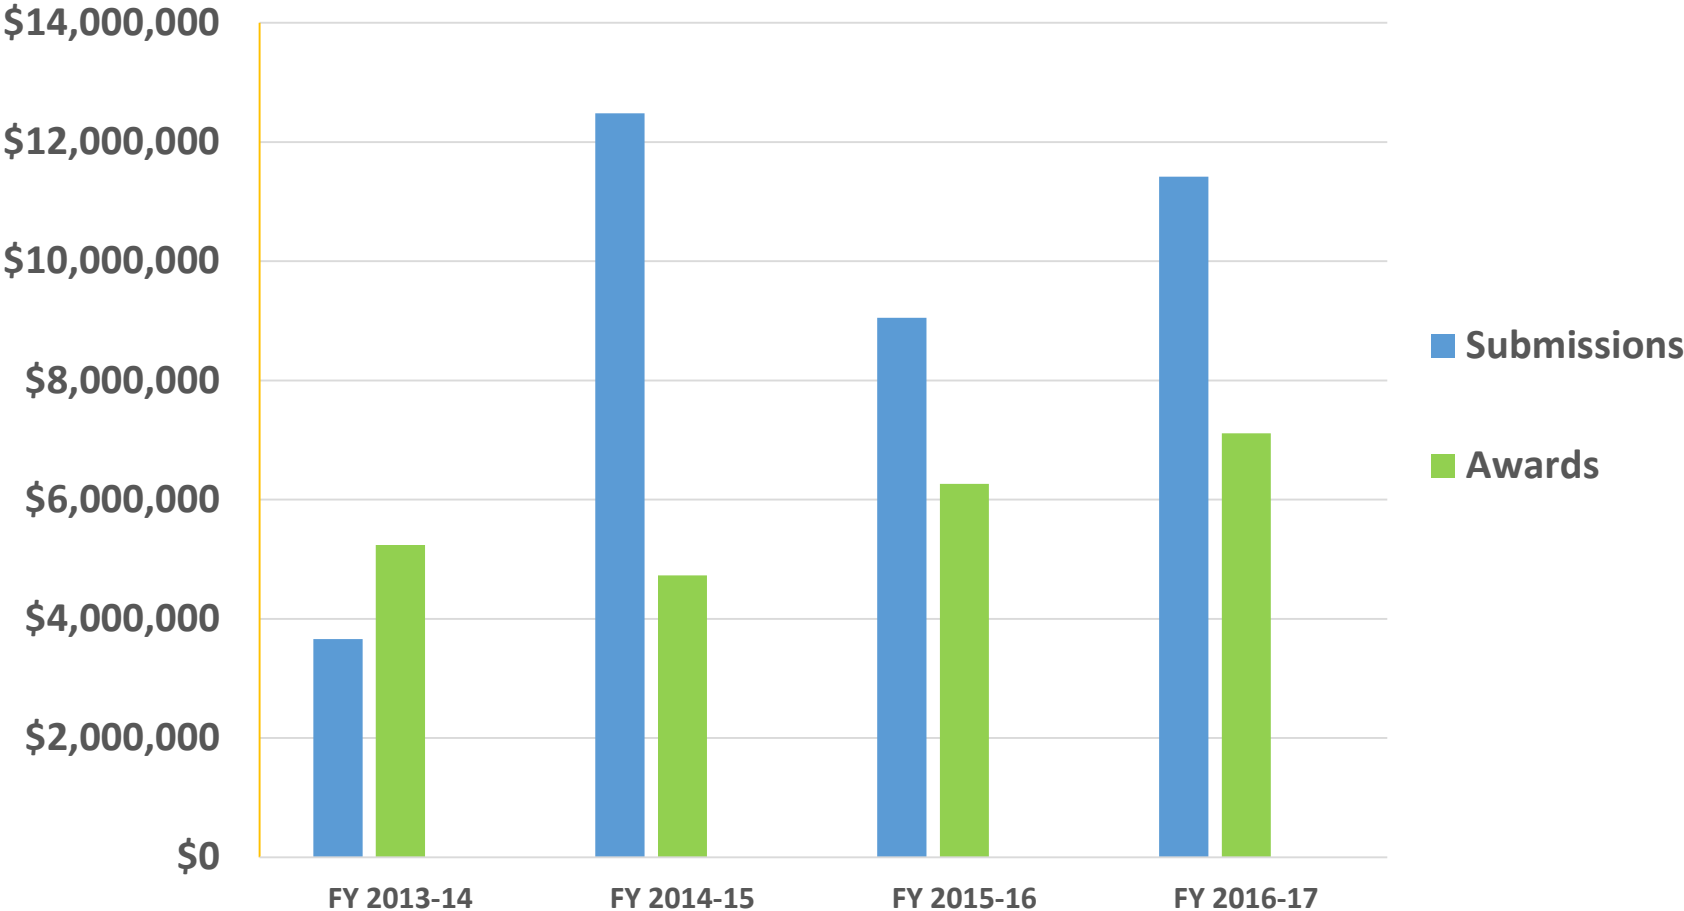

# CHHS Awards as % of WMU Awards by Year

# Number of Awards and Awardees Summary

- 2017:
  - Highest award value represented by any one college for second consecutive year
  - CHHS has 13% of WMU's T/TT faculty
  - Award value is 62% of value of submissions
- Number of awards and awardees trending in positive direction
- College has sustained external funding efforts over many years with relatively few awardees
- For 2017, 18% of faculty received awards (21 total awardees), reflecting an increase from last year

# Value of Awards and Submissions by Year

# Funding Sources

- U.S. Dept. of Education
- U.S. Dept. of Health and Human Services
- U.S. Army: Geneva Foundation
- Association for Prevention Teaching and Research
- Kalamazoo County Mental Health Services
- East Side Youth Strong
- Michigan Department of Health and Human Services
- State departments of health/human services
- Public Policy Associates
- Wayne State University

# Types of Projects

## Personnel Preparation

- Educating teachers of children with visual impairment, visual rehabilitation therapists, and orientation and mobility specialists
- Graduating more students from underrepresented groups and disadvantaged populations with BSNs to enter the nursing workforce
- Educating OT and social work students in interprofessional behavioral health practice
- Educating public health and social work students to communicate with Native Americans about health matters in a culturally appropriate manner

## Clinical translation

- Development of a concussion symptom management app
- National implementation of a web-based system to increase healthy eating and thereby reduce obesity

# Types of Projects

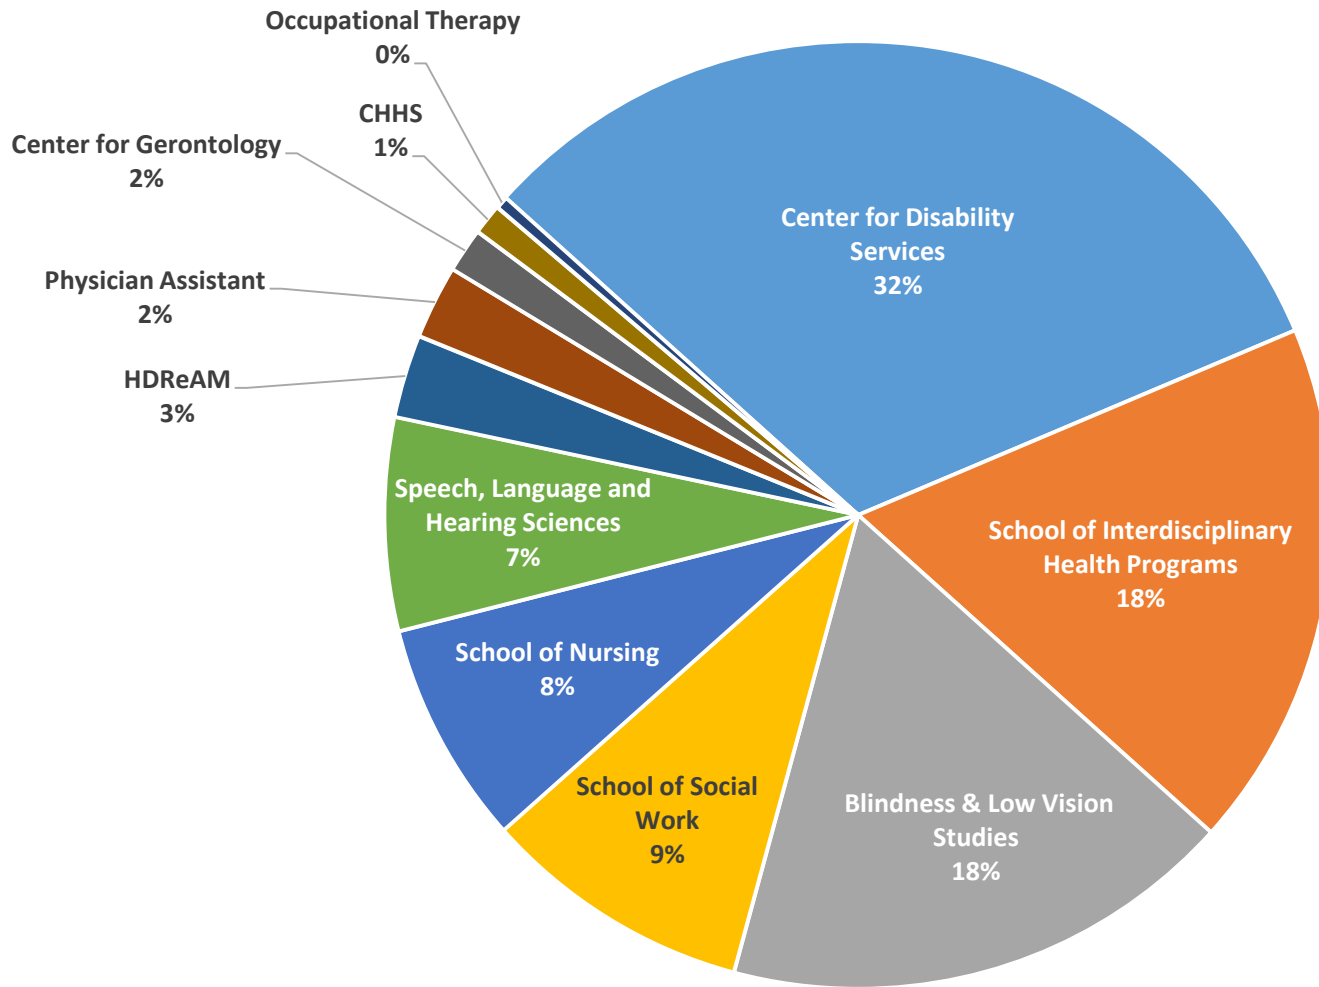

## Community engagement

- Health data mapping
- Evaluation of elder abuse
- Western Regional Area Health Education Center

## Research

- Identifying ergonomic and biomechanical factors that affect how well a blind individual can detect hazards, such as drop-offs and obstacles
- Modeling the molecular mechanisms of the impact of nicotine and alcohol on auditory development

# CHHS Award Dollars by Department FY 17

Center for Disability Services	\$2,272,052
School of Interdisciplinary Health Programs	\$1,281,787
Blindness & Low Vision Studies	\$1,249,597
School of Social Work	\$655,117
School of Nursing	\$540,689
Speech, Language and Hearing Sciences	\$517,596
HReAM	\$201,892
Physician Assistant	\$178,384
Center for Gerontology	\$107,671
CHHS	\$75,000
Occupational Therapy	\$30,418

# OVPB Updates

- Vice President for Research search in final stage
- 2017-18 Focused Initiatives
  - Improve infrastructure and research support; also policy focus to ease grant development and submission processes
  - Strengthen interdisciplinary research
  - Undergraduate students – program for students to identify and participate in research opportunities
- Upcoming deadlines
  - FRACAA Deadline: Jan. 19, 2018
  - SFSA Deadline: Jan. 31, 2018
- Research Officer: Denise Wheatley

# CHHS Research Support

- Junior Faculty Discovery Initiative
- RED fund
  - Funds to be used for release time (replacement cost) for teaching load
  - Funds to be used for equipment, consultant support, travel, and other expenses that are related to research development
  - Priorities for funding focused on grant writing support
- Writing and proposal development assistance
  - Research Office Hours in spring 2018
- FRACAA development: current AY CHHS faculty received 3 of 21 awards in comparison to none in the prior 2 years

# Research Clusters

- Health equity, disparities, and community empowerment
- Health, wellness, and safety
- Health practice and policy
- Gerontology
- Rehabilitation assessment, intervention, and engineering
- Addiction, trauma, and behavioral health
- Student learning and clinical education outcomes

# Initiatives and Opportunities

- Capitalize on CHHS strengths to build interdisciplinary teams within and across colleges
  - Brain Lab
  - Develop **research communities** (e.g., concussion/TBI; substance use/mental health)
- Update research web pages
- Research publication under development
- Mentorship opportunities
- IPE Expo as a venue to feature student research
- Increase percentage of faculty submitting grant proposals to 25%

# FY18 Awards as of 10/31/17

Funding Source*	Amount
GRANT AND CONTRACT TOTALS Includes new awards, renewals, continuations, and supplements	<b>\$1,863,693</b>
UC - CENTER FOR DISABILITY SERVICES (CDS) Includes mental health contracts	<b>\$484,768</b>
CHHS FY18 GRAND TOTAL	<b>\$2,348,461</b>

\*Awards tracked by OVPR.

# Conclusions

- Trends:
  - Proposal activity for FY18 is strong, with \$4.725 million in proposal requests submitted to-date; greater than our highest year
  - Value of awards is less than last year
  - Our expenditure value is on par with last year at this time
- Overall proposal success rate remains high
- We appear to be maintaining our funding levels as sources and faculty change from year to year

***Congratulations to all of our successful researchers  
and our faculty for their engagement in scholarly activity!***
