Specialty Program in Alcohol and Drug Abuse presents:

A Community Based Approach to the Opioid Epidemic. An interactive conversation with WMU Alumnus and Distinguished Alumni, Brad Finegood, on Seattle's Opioid Task Force

Tuesday
November 13th
6-7pm
Room 1010
College of Health and Human Services

Brad Finegood, MA, LMHC, assistant division director in the Behavioral Health and Recovery Division in King County, WA. He is a valued member of the SPADA faculty, a 2005 graduate of the SPADA certificate program, and named the SPADA department's 2014 Outstanding Alumni. In addition he also obtained his Master's degree from WMU’s department of Counselor Education and Counseling Psychology where he was honored with the Outstanding Master’s Student Award and Department of Counseling Education Counseling Psychology Graduate Award for Research and Scholarship! In November 2017, Finegood was also named one of the thirty most innovative influential people in Seattle by Seattle Magazine!
