For full CE credit, participants will be required to sign in and out, provide their Michigan Social Worker identification number and complete a course evaluation.

CONFERENCE ORGANIZER:

Melissa.Ponstein@wmich.edu 616-771-9494

Western Regional Area Health Education Center (AHEC)

~Keynote Speaker~

Elena M. Stoffel, M.D.,
M.P.H.
Michigan Medicine
Medical Genetics Clinic
at the University
of Michigan

Dr. Stoffel is Assistant Professor of Internal Medicine at the University of Michigan. She earned her MD at Harvard Medical School, her Master's in Public Health at the Harvard School of Public Health, and completed her training in Internal Medicine and Gastroenterology at Brigham and Women's Hospital in Boston. Dr. Stoffel is the Director of the University of Michigan Cancer Genetics Clinic and is a past President of the Collaborative Group of the Americas on Inherited Colorectal Cancer (CGA-ICC). Dr. Stoffel's clinical and research interests focus on cancer risk stratification and early detection and prevention of gastrointestinal cancers. She was awarded a NIH/HCI K07 Career Development Award in Cancer Prevention and Control for her work examining the effect of genetic and behavioral factors on risk for colorectal cancer. Dr. Stoffel is involved with international collaborative studies in genetic epidemiology and serves as site-PI for cancer chemoprevention studies for individuals with inherited predisposition to colorectal cancer.

TARGET AUDIENCE:

Primary and Secondary Care Providers,
Oncologists, Nurses, NPs, PAs,
Social Workers, LPCs, LMFTs, Psychologists,
Patient Navigators and
Community Health Workers.
