**Major Responsibilities:**

- Teach courses with a clinical focus offered to students enrolled in the occupational therapy master's degree program and the occupational therapy doctorate program
- Work with the Academic Fieldwork Coordinator to support students' Level I and II fieldwork Experiences
- Mentor and advise students regarding clinical practice
- Facilitate curricular revisions and support the assessment of student learning
- Provide service to the department, the college, the university, and the community
- Contribute to an interprofessional environment of instruction and community collaborations

**Qualifications:**

- Earned doctorate in occupational therapy or related field (may be a clinical doctorate); candidates with expected doctoral completion date before 12/31/19 will be considered
- At least three years of clinical experience as a licensed practitioner
- At least three years of teaching graduate courses in higher education
- Experience in fieldwork support
- Knowledge of curriculum design, teaching strategies, and assessment of student learning

**The University:** Western Michigan University, a learner centered, discovery driven and globally engaged public research university, enrolls more than 23,000 students from 100 nations around the globe. WMU has been designated by the Carnegie Foundation for the Advancement of Teaching as one of just 147 public institutions in the nation with high or very high research activity.

**The College:** The College of Health and Human Services is located in a 195,000 square foot building with state-of-the-art teaching technologies and spacious research laboratories. The college enrolls nearly 3,000 students, with more than a third of those at the graduate level. In addition to the Department of Occupational Therapy, the college includes programs in blindness and low vision studies, nursing, physical therapy, physician assistant, social work, speech, language and hearing sciences, holistic health care, alcohol and drug abuse, interdisciplinary health services, public health, and a Ph.D. in interdisciplinary health sciences. The college has received a number of grants from the National Institutes of Health (NIH), the Health Resources and Services Administration (HRSA), and the Department of Education. The college also operates the Unified Clinics, a multidisciplinary service/training clinic. Learn more about our
Department/School: The Occupational Therapy Department provides professional entry programs in Kalamazoo and Grand Rapids which lead to the Masters of Science in Occupational Therapy, transitioning to entry-level OTD starting June 2020. The Occupational therapy Department fully supports the College and University’s mission to provide exemplary teaching, learning, and mentoring experiences for students at our WMU clinics, as well as promoting and supporting an active research/grant agenda for faculty.

Salary: Competitive and commensurate with qualifications and experience, with an excellent benefits package.

Expected Start Date: July 1, 2019

Application Deadline: May 1, 2019

Required application documents: Names, titles, postal and e-mail addresses, and telephone numbers of three references; and a letter describing qualifications, accomplishments, and professional experiences related to the position.

WMU is an Equal Opportunity/Affirmative Action Employer. Minorities, women, veterans, individuals with disabilities and all other qualified individuals are encouraged to apply.
