Master of Public Health

VIRTUAL INFO SESSIONS

If ever you were considering an advanced degree in public health, now is the time to act. This pandemic will end, but dealing with its after-effects and improving our public health system for future pandemics will require a greater workforce of trained public health professionals.

Join WMU MPH faculty member Dr. Shannon McMorrow for a virtual information session to learn more about the field, the program, and the admissions process.

All session are virtual and start at 5:00 PM EST
- February 16
- March 9
- March 16
- April 13
- April 20

Attendees will receive a fee waiver code for Fall 2021 MPH applications.
