PROFESSIONAL EXPERIENCE

Director, Master of International Development Administration Program, Western Michigan University, 2004 – Present

Classes taught: Managing Challenges from Climate Change, Comparative National Development Strategies, Economic and Social Development Theory, Planning Development Programs, Monitoring and Evaluation of International Development Projects, The Philosophy of John Rawls, Peace Corps Field Paper, Administration in Developing Countries, Development Methods and Skills, all at master's level (with some doctoral students).

Professor, Western Michigan University Political Science Department
2009 – Present

Chair, Graduate Certificate Program in Climate Change Policy and Management, Western Michigan University
2020 – Present

Faculty Member, Interdisciplinary Doctoral Program in Evaluation, Western Michigan University
2003 – Present
Faculty member for newly established doctoral program in evaluation.

Democratic Candidate for U.S. House of Representatives
2017 – 2018, 2015 – 2016, 2013 – 2014
Ran to represent Michigan's Sixth District in Congress.

Evaluation Consultant, Avenir Analytics
Summer 2015
Reviewed methodology for evaluation of UNICEF's Humanitarian Response in Syria and the Sub-Region.

Senior Monitoring & Evaluation Specialist & Data Analyst, USAID/Bangladesh
Summer 2012
Proposed monitoring and evaluation approaches for \$280 million agriculture and nutrition program.

Team Leader, Heifer International Impact Evaluation, Uganda
Summer 2011
Led team conducting impact evaluation of Heifer International operations in Uganda.

Methodologist and Trainer, The Evaluation Center, Western Michigan University
Designed Evaluation Center's methodology for evaluating Heifer Project International impacts in income, assets and nutrition in Albania, Nepal and Uganda. Trained evaluation teams.

External Evaluator, Agahozo Shalom Youth Village, Rwanda
Summer, 2010
Designed and conducted external evaluation of youth village for Rwandan orphans, mainly from the 1994 genocide.

Associate Professor, Western Michigan University Political Science Department
2002 – 2009

Team Leader, Heifer International Impact Evaluation, The Philippines
Summer 2009
Led team conducting impact evaluation of Heifer Project International operations in the Philippines.

Peer Reviewer for project applications, Higher Education for Development
February 2009
Reviewed grant applications for project to develop system for "Evaluation and Analysis of USAID's Political Party Strengthening Programs."

Monitoring and Evaluation Systems Consultant, Higher Education for Development

Summer 2008

Critiqued strategy for developing assessment and evaluation tools for USAID programs to strengthen political parties in emerging democracies.

Team Leader, Heifer International Impact Evaluation, Ghana

Summer 2008

Led team conducting impact evaluation of Heifer International operations in Ghana.

Team Leader, Heifer International Impact Evaluation, Tanzania

Summer 2007

Led team conducting impact evaluation of Heifer International operations in Tanzania.

Senior Consultant and Team Leader, Secretariat of Planning and Management, Government of Minas Gerais, Brazil

Summer 2006

Led a team of French and Brazilian experts in developing a monitoring and evaluation system for a project to bring water and sewage services to approximately one million people.

Senior Consultant, United Nations Development Program

October 2005 – January 2006

Assisted UNDP in developing evaluation quality assurance system.

Monitoring and Evaluation Systems Consultant, Isles, Inc.

2005, June

Assisted Isles, Inc., a community development corporation in Trenton, New Jersey, in developing a program assessment system for programs in low-income housing, community planning, job training, environmental and community health, and financial self-reliance.

Monitoring and Evaluation Systems Consultant, CHF International

2004

June: Primary author of proposal for 3-5 year, \$15 million-\$35 million contract to monitor and evaluate USAID programs and project in Iraq.

February: Wrote concept paper for developing and marketing online web-based portfolio and project management tool for international donor agencies and development NGOs.

Assistant Professor, Western Michigan University Political Science Department

1996 - 2002

Teaching mainly in Master of Development Administration (MDA) program. Established Peace Corps Option within the MDA program.

Program Analyst, United Nations Capital Development Fund (UNCDF)

2000, 2001 & 2002

Carried out annual synthesis and analysis of all evaluations from the previous year, including recommendations for management.

Technical Consultant, the Success Measures Project of the Development Leadership Network

January, 2000 – August 2001

Supported field tests of outcome indicators developed by the Project and assisted in further development of the *Success Measures Guide Book*. Assisted community development organizations in Sacramento CA, Welch WV, Richmond VA, and Detroit in developing outcome information systems.

Design Consultant; Research Director, the Success Measures Project of the Development Leadership Network, 1996 - 1999

The Success Measures Project is a national effort involving practitioners, community members, foundation representatives and academics in designing outcome indicators for organizations involved in community economic development in the United States.

Project Evaluator, for Ph.D. Dissertation

Uganda, Kenya and Malawi, 1994 - 1995

Evaluated 12 projects sponsored by USAID, the World Bank, and CARE. Carried out institutional analyses.

Teaching Assistant, Woodrow Wilson School

Princeton, NJ, 1994

Assisted in preparing syllabus for master's level course on Participatory Development and Poverty Alleviation. Led session on "Participatory Development: The Donor Perspective" focusing on USAID and the World Bank. Advised students on research projects.

Monitoring and Evaluation Expert, United States Agency for International Development

Lima, Peru, 1992

Member of consultancy team that wrote plan for five year "Private Voluntary Organization Support Program."

Food Aid Consultant, United States Agency for International Development

Washington, DC, 1991

Analyzed options for strengthening non-emergency food aid projects in Africa. Reviewed recent plans and reports from all Private Voluntary Organization projects employing P.L. 480 food aid in Africa. Surveyed literature on food for work, maternal and child health, and school feeding projects.

Computer Systems Manager, United States Agency for International Development

Banjul, The Gambia, 1989 - 1990

Maintained network of microcomputers, selected and purchased new network, developed and maintained applications. Trained Gambian national who took my job when I left.

Computer Officer, ActionAid, Banjul, The Gambia, 1987 - 1989

System Manager for multi-user microcomputer. Helped design and set up new Research, Evaluation and Monitoring Unit. Played central role in selecting set of baseline indicators for assessing agency's impact in villages over time. Led workshops on statistics and research techniques. Conducted two surveys in 40 villages each estimating nutritional status of children in agency's target areas.

Peace Corps Volunteer, Pakalinding Village, The Gambia, 1985 - 1987

Taught mathematics at Pakalinding Secondary Technical School.

Program Evaluator, Save the Children Federation, The Gambia, 1986

Designed and conducted evaluation of Save the Children Federation's North Bank Division Program involving interviews in 15 villages.
