Community Living Expectations (CLE)

On-campus housing 2018-19 Policy Book
Residential living promotes individual and group responsibility through positive communities. The Community Living Expectations balance the rights of the individual and the rights of the community. In order to carry out its educational mission, the University aspires to create and maintain conditions that are social and educational. With this in mind, the residence hall staff developed the Community Living Expectations to help each student be academically and personally successful. All WMU on campus residents and their guests are responsible for conducting themselves in a manner that does not infringe on the rights of others or interfere with the educational functions of the University, as well as showing consideration for the facilities. All students residing in on campus housing deserve to live in an environment free from harassment, intimidation or emotional distress. The information provided here specifies the community and behavioral standards that are expected, and also identifies the rights and responsibilities of residents.

In carrying out responsibilities as a student and a member of the on campus community, it is essential that residents become familiar with, responsible for and abide by the WMU Student Code, as well as the Community Living Expectations. Your contract/lease is the document that states your and the University’s contractual obligations; the Residence Life Community Living Expectations handbook is a legally binding adjunct to your contract/lease. You are equally responsible for complying with the policies, expectations and regulations printed in the Community Living Expectations as you are for those directly printed on the contract. By signing your housing contract/lease, you have agreed to make yourself aware of and abide by all on campus housing policies and expectations, the WMU Student Code and all city, state and federal laws. A copy of the WMU Student Code may be obtained online at wmich.edu/conduct/code from the Office of Student Conduct or from your hall office. Any questions about the Community Living Expectations may be directed to your hall director.

If a student enters an area where a violation of policy is occurring, or a violation is initiated in an area where he or she is present, the student should leave immediately. Otherwise, by choosing to remain, the student assumes responsibility for all behavior and items in that location, regardless of his or her participation.

Anyone violating the Community Living Expectations, WMU Student Code or abusing the facilities is subject to disciplinary actions, prosecution, conduct review and replacement fees as deemed appropriate by University officials. Residents may also be subject to disciplinary action due to the misconduct of their guests. Residence Life or the Office of Student Conduct reserve the right to move a student to another vacant space on campus, or remove the student from on campus living entirely if it is in the best interest of the student, university or other students of the university, or in accordance with the University’s mission and education goals.
Housing staff

At WMU we have four different types of live-in staff for every housing experience. Residence Life staff members are committed to providing the best possible living experience for all residents. Residents are encouraged to get to know the staff in the hall. They are valuable resources for information about the University and the many services available.

Residence Hall Directors

Residence Hall Directors (HDs) are full-time staff members who live in the on campus facilities. Our HDs have obtained a master’s degree in higher education, counseling or a related field prior to beginning their position at WMU. The HDs provide leadership to intentionally and collaboratively create environments that positively influence student learning and development. All HDs hold office hours in their building or the Residence Life office.

Specific responsibilities include:

- Supervising the graduate assistant hall director and resident assistant/resident manager staff
- Oversee programming within the community
- Collaborate with others to ensure facilities are safe, secure and maintained
- Oversee and resolve student conduct issues
- Assist with conflict mediation with students
- Provide academic support initiatives, referrals and guidance to their residents
- Meet with students from the building that have questions, concerns or other needs

Graduate Assistant Hall Directors

Graduate assistant hall directors (GAs) are paraprofessionals who live in the on campus facilities. Most often our GAs are in the process of obtaining a master’s degree in higher education, counseling or a related field while they are working in this position. The GAs assist in providing leadership to intentionally and collaboratively create environments that will positively influence student learning and development. Each GA holds office hours in the office in their building or in the Residence Life office.

Specific responsibilities include:

- Advise the leadership council for the building
- Oversee the front desk operations including hiring student staff
- Assist with programming within the community
- Provide academic support initiatives, referrals and guidance to their residents
- Meet with students from the building that have questions, concerns or other needs
- Collaborate with the hall director to maintain a safe, secure, and healthy living environment
- Assist with conflict mediation among students within the building
Resident Assistants
Resident Assistants (RAs) are part-time student staff members who live on the floors of the residence halls. One of their major roles is to create and maintain an environment that promotes the academic and personal success of residents. Specific responsibilities include:

- Maintain visibility and availability on the floor as a resource to students in their community
- Serve as a mentor and role model to students
- Provide programming that meets the needs of students and will assist in community development and growth
- Meet with students from the floor that have questions, concerns or other needs
- Collaborate with the hall director and graduate assistant to maintain a safe, secure, and healthy living environment
- Assist with conflict mediation with students on the floor
- Address student conduct issues on their floor and in the hall

Resident Manager
Each apartment complex has a resident manager(s) who oversee activity within the complex and often act as a liaison between the residents and Residence Life. Their student and family responsibilities sometimes require them to be out of the area, and therefore they cannot always be reached. They do have voicemail service, and you can leave a message at the numbers listed below. In complexes where there is more than one resident manager, any of the staff can assist you. Specific responsibilities include:

- Assist with questions about the complex, university, and/or the Kalamazoo community
- Provide programming that meets the needs of students and will assist in community development and growth
- Meet with students from the complex to assist with conflict mediation or other concerns of the community
- Serve as a mentor and role model to students

Roommate relationships

An important part of college is learning to get along with others and developing an awareness of and appreciation for other lifestyles and values. One of the first opportunities you will have to establish close relationships with others and learn about living in a community will be when you move into your room. This information is designed to assist you in building a positive relationship with your roommate(s). Having a positive relationship with your roommate(s) depends on each being willing to make an honest attempt to get to know each other. When students are placed together in on campus housing, they must prepare for this new experience with an open mind and an appreciation for those differences that exist in each person’s background.

The quality of roommate relationships is related to the communication between roommates. Positive relations are typified by roommates who clearly understand each other’s expectations, openly communicate with each other and verbalize to each other thoughts and feelings about living together. During all of your discussions with your roommate(s), listen carefully. Try to be unconditionally accepting of what you hear, even though you may disagree. When roommates are accepting, both individuals will feel free to express things honestly. Key points to remember in establishing a positive relationship are listed below:

- Spend time getting acquainted
- Be willing to listen and speak openly
- Try to understand rather than evaluate or judge
- Be receptive to different ways of life and different values
- Be willing to make compromises
- Be aware of assumptions and try to get the facts

Do’s and don’ts when a conflict arises

**Do**

- Address the problem immediately
- Be clear and specific about how YOU see the issue
- Listen carefully to your roommate’s thoughts
- Discuss only the CURRENT issue
- Assume your roommate doesn’t know when something is bothering you. You need to tell them
- Keep it between your roommate and you
- Look for a solution to the problem together and generate a list of options to pick from
- Be willing to renegotiate the agreement later as needed
- Help create a situation where both you and your roommate can win
- Talk to your RA, RM, GA, or HD

**Don’t**

- Wait to address the problem; it will only get bigger
- Involve residents from the floor or greater community in roommate issues
- Bring up past problems with the roommate
- Dictate a solution to your roommate
- Create a situation where only one of you can win and the other loses
Your enjoyment of life in on campus housing will depend, to a large extent, on the thoughtful consideration you and your roommate(s) demonstrate for each other. Remember, living in a community environment means accepting responsibility for the welfare of others. Only you can assure that your roommate enjoys these rights. As a roommate, it is your responsibility to follow the “roommate responsibilities” outlined below.

**Roommate responsibilities**

- Make sure to be respectful of your roommate’s right to read, study and sleep and are free from undue interference from noise, guests and other distractions. Unreasonable noise and other disturbances inhibit the exercise of this right.
- Ask permission before borrowing or using any of your roommate’s possessions such as a computer, clothes or food.
- Receive permission from roommate(s) before inviting guests to stay overnight. See guest and visitation policy on page 27.
- Keep your living environment clean.
- Allow your roommate(s) free access to the rooms, apartment common spaces, and facilities without pressure.
- Respect your roommate’s right to personal privacy.
- Make sure your guests do not violate/invade your roommate’s rights.
- Talk to your roommate(s) when something is bothering you.
- Listen to your roommate(s) if there is a problem and try to resolve it.
- Bring unresolved problems to the attention of the RA, RM, GA, or HD after you have talked with your roommate(s).
- Respect your roommate’s right to be free from fear of intimidation, physical and emotional harm. Violations will result in disciplinary action.
- Treat your roommate(s) as equals: do not give orders, make unreasonable demands or expect favors.
Occupancy

Residence Hall Information:

Recess periods
Students must vacate their hall by the closing date of each academic period. You are responsible for making other arrangements for the period between semesters. Students returning for the spring semester may leave personal belongings in their room during the recess period; however, rooms will not be accessible.

The University reserves the right to make safety checks, inspect, maintain and make repairs in all university owned spaces, and replace damaged or obsolete furniture at any time, including recess periods.

The residence halls remain open during Thanksgiving and spring breaks, but services may be limited. Dining Services are consolidated or open limited hours during these times because of the small number of residents who remain on campus.

Thanksgiving and spring breaks – halls remain open with reduced services

Students who are academically dismissed or cancel their contracts during a semester recess period may claim their personal belongings when the halls reopen for the new term.

Any residents found violating quiet hours or exhibiting other disruptive behavior during finals week may be required to vacate the halls within 24 hours (or less, per the discretion of Residence Life) after completing their last final exam.

Changing rooms
Changing rooms or halls may be possible as space permits. Transfers are arranged through and approved by the hall directors, not the Residence Life office. Prior approval from the hall director is required for all room changes. Failure to obtain prior approval could be considered a policy violation. There are designated periods at the beginning and end of each semester when room moves are prohibited.

Room consolidation
Students periodically find themselves in a room with no roommate or in a three or four-person room with one or more open spaces. To be fair to all residents, the University may require the student to participate in a consolidation process. The rooms that become vacant through the consolidation are available for persons preferring a single room or to permit two persons in different rooms to move in together.

The consolidation process requires a student to do one of the following:

Be ready for a roommate to move in at any time during the academic year
Having an open space in your room means a new roommate can be assigned to your room at any time without prior notice. You must keep the extra bed, desk and some dresser drawers clear so that a new roommate will have space to put belongings. It is critical to help your new roommate feel welcome. If the room is not ready for a roommate to move in or if you exhibit behavior considered unwelcoming to the new resident, it may result in conduct charges and your student account being charged for the single room.

Elect to change your room to a Super Single (excluding Western Heights)
If you would rather keep your room to yourself, you can opt to change your room to a single room. There is an additional cost for a single room. You can review the rates at wmich.edu/housing/info/rates. To change to a single room, stop by your hall office to fill out paperwork. If you do not let Residence Life know, we will assume you are requesting a roommate be assigned to your room.

Residence Life is committed to supporting students in their pursuit of academic excellence.
On-Campus Apartment Information:

Mail
All mail is delivered by the U.S. Postal Service and any problems should be reported directly to them. Individual apartment boxes for incoming mail are located in each stairwell. Spindler Hall mailboxes are located at the front desk. The names of all occupants of the apartment must be noted on the mailbox in order for mail to be delivered. WMU Apartment addresses are regular Kalamazoo addresses, not campus mail, so the words “Western Michigan University” should not be listed in your address as this will delay or prevent delivery. Please change your address with the U.S. postal service and on your GoWMU account prior to moving out.

Roommate changes
(Goldsworth Valley and Stadium Drive only)
There are two general periods when roommates can be added or taken off an apartment lease – between semesters or at the end of each month. Forms for requesting roommate changes are available in the Residence Life office. All individuals affected by the change must sign the paperwork before it can be processed. This includes all departing, incoming or transferring residents from all apartments affected. Only one change is allowed per semester. There are often several weeks between semesters, but as long as even one person continues to live in the apartment during this time, full rent must be paid for that period. If one person moves out at the end of the lease and another does not move in until the beginning of the next semester, the remaining roommate(s) are responsible for the rent for the period between semesters. Leases for roommate changes, additions, or deletions are processed effective the first day of the new lease period or the beginning of the next semester. For example, if the lease ends December 11, the new lease would begin December 12. New roommates moving in from off-campus can be added on, provided their student account balance is current with all payments by their due date.

Transferring apartments
To transfer to a different complex or type of apartment, you must complete a Transfer Request Form in the Residence Life office. Requests to transfer are only accepted for the following reasons:
• To move to a different size apartment
• To move from a furnished to an unfurnished unit
• To move to a different apartment complex
• For extenuating circumstances

Transfers are not permitted within Spindler Hall because all rooms have a similar layout and all are furnished. Assignments are made on a first-come, first-served basis, based on the date of application. Western View residents are able to transfer to a different complex only after their contract has expired.

IMPORTANT NOTE: The $250 non-refundable cleaning fee is charged every time you transfer to a new apartment.

Maintaining eligibility
You remain eligible to reside in a WMU Apartment as long as you are enrolled in at least one credit hour fall and spring semester. If you do not meet these requirements, you are in violation of your contract and must request written permission to stay from the Residence Life office. Active enrollment is not required during the summer I and II sessions, however, you must be in active admission status at WMU. If you are a single occupant and wish to have a roommate or roommates, they must meet the eligibility requirements.

Summer storage program
(Stadium Drive, Goldsworth Valley and Spindler Hall)
If you are planning to leave campus for the summer and return for the fall semester, you may want to consider storing your apartment at a greatly reduced rental rate. If you choose this option you must sign the current and fall contract, sign a storage agreement, pay the fees and turn in your keys when you leave. You will not have access to your apartment.
during the storage period, except for an emergency. Call Residence Life at (269) 387-2175 for current storage fees.

Check out
A proper check out consists of having a hall staff member take you through the check-out process: checking the condition of your room, signing the student information folder, and returning your keys. This process is done so hall staff will know when everyone has left. Unreturned keys will be voided and new keys and cores prepared. Charges involved will be billed to the resident. Room(s) must be returned to a condition and safety level comparable to that existing at the beginning of occupancy; reasonable wear and tear is excepted. Residents must return equipment such as MicroFridges rented from the University. Residents will be held responsible for and reimburse the University for all damages to their room or furniture. Residents failing to check out properly will be charged $25 each.

Pre-vacate inspection
Your apartment requires an inspection to determine how much time is needed for painting, carpet replacement or any other long-term maintenance work required before your apartment can be reassigned to the next resident. Your resident manager will conduct this pre-vacate inspection. If you wish to be present during this inspection, you must contact your resident manager and schedule a time during that week. If you do not contact your resident manager, she or he will post a notice 24-hours prior to entering your apartment and complete the pre-vacate inspection according to his or her schedule. Even if you are unable to coordinate a time to be present for the pre-vacate inspection, you must contact your resident manager to arrange a time to meet before you are ready to move out. He or she can assist you with helpful guidelines as to what or how well you are expected to clean.

Final inspection
Your resident manager completes the final inspection once your belongings are completely removed from your apartment and you are ready to turn in your keys. If you would like to be present for this final inspection, you will need to schedule an appointment at least one week in advance with your resident manager. Items left of value will be held for 30 days and, if not claimed, will either be disposed of or sold at auction. A fee may be assessed for removal of abandoned property.

Paying your rent and late fees - After you move into your apartment (Goldsworth Valley and Stadium Drive), rent is due at the beginning of the semester.

The recommended payment method is to go to Bronco Express in the Bernhard Center. At Bronco Express, please tell the cashier you are making your rent payment so your payment can be accurately applied to your WMU Apartment rent. If you utilize the web or telephone credit card methods of payment, you need to BE AWARE that neither of these methods is currently capable of direct-specific payment. Instead, payments made via the web or telephone automatically apply to all charges on a student account, beginning with the oldest and proceeding to the most recent. For example, if you have charges from tuition, parking services, Sindecuse Health Center or the like, although you may submit payment in the exact amount of rent due, the payment will be applied to all charges on your student account. By the time all older charges have been deducted, there may not be a sufficient amount left of your payment to cover your monthly rent in full, leaving you open to a late fee charge.

Goldsworth Valley and Stadium Drive: The Joint and Several Liability clause in our lease agreement states: “If one or more persons sign this lease as tenant, their liability for any breach of this lease, without regard to which person caused the breach, shall be joint and several…”

This means that each roommate will be assessed an equal portion of the late fee unless all roommates have paid the rent in full. We understand obvious frustration experienced by a roommate who pays his or her rent on time but is charged a late fee because another roommate fails to pay rent on time. We see this same frustration when roommates are charged for damages another roommate may have caused in the apartment. The importance of the Joint and Several Liability clause is emphasized before you sign a lease agreement. We encourage the honest and complete conversations required among potential roommates before a lease agreement is signed, and we remain willing to assist with mediation in situations of roommate difficulties. However, all parties who sign a lease agreement enter a legal and binding relationship with Residence Life and with each other. We encourage our residents to communicate with each other in hope of building lasting and equitable relationships as roommates. If you have roommate difficulties, we are available to listen and advise, as well as direct you to other resources available on campus.
**General Occupancy Policy**

**Entering rooms**
In accordance with our educational mission, the University aspires to maintain a healthy and safe environment, as well as respect and preserve your right of privacy. The University, however, reserves the right to make periodic administrative inspections of residence hall rooms and apartments (whether or not the residents of the unit are present) whenever:

- There is a reasonable cause to believe established health or safety regulations are being violated
- There is a threat to the safety or well-being of the room’s occupants or other residents
- There is reason to believe the occupants of the room are violating a University rule or regulation, or state or federal law
- There is reason to believe that there is imminent hazard to the property, and removing any hazard discovered
- Disruptive noise is violating an individual’s need to sleep, study, read, etc.
- To address any needed maintenance repairs or concerns
- There is a question about contractual status

Residence Life staff will check each room during the recess periods to ensure that no safety hazards exist. If a staff member should notice, in plain sight, evidence of a violation of federal, state or local laws, or a violation of University rules and regulations, the staff member will file a report with the hall director, the Office of Student Conduct or WMU police.

**Keys**
You are expected to cooperate with the University in efforts to maintain a safe and secure campus. Safety starts with you. You will be issued a room key and, in all halls besides the Valleys and Western Heights, a building key when you check in. Those keys are an integral part of the hall’s security system; therefore, you are responsible for carrying your keys at all times. Residence Life strongly recommends locking your room door at all times. If you lose your keys, you will be responsible for all charges associated with replacing your keys, the keys for your roommate(s), and key cores for your room and mailbox. Current charges for replacing lost keys are $6 for each room key and $25 for each security key. The charge for a core replacement is $30 per core. All fees are subject to change and will be billed to your student account. Please contact your hall director immediately if you have lost your keys. Keys are returned to the hall at the end of the contract term. Residents who do not return keys will pay key and core replacement costs.

**Mail Forwarding**
All mail is delivered by the U.S. Postal Service and any concerns should be reported directly to them.

**When you move, don’t forget to update your address!**

**Log on to GoWMU and update your address**

- The address that is listed for you on GoWMU is where your mail will go when it is forwarded
- Hall staff do not update your address, so it is up to you to log on to GoWMU and update your address

**Contact all companies you receive mail from** (i.e. banks, credit card, cell phone, etc.)

- The best way not to have interrupted mail service is to contact people directly with your new address
- Mail forwarded by the residence hall takes longer to get to you
- Some mail like magazines and newspapers do not get forwarded
- Mail only gets forwarded from your old address for one year
Services and information

Front desks
In the lobby of your hall, there are front desk receptionists available to greet visitors and answer any questions you may have. Desk services include, but are not limited to:

- Equipment check-out such as vacuums, games and sporting equipment
- Sending and receiving mail
- After-hours emergency maintenance assistance

The desk is open evenings and weekends. When the desk is closed, the hall office or staff on duty will be able to assist you. Spindler Hall Desk is open Monday-Friday from 10 a.m.-6 p.m. with the exception of holidays and recesses.

Hall office
Just off the lobby of your hall is the hall office. Open from 9 a.m. to 5 p.m. Monday through Friday, the hall office assists with questions, maintenance concerns and scheduling appointments with hall staff. The hall office is also where you can find the hall director. For apartment concerns, please contact your Resident Manager, Graduate Hall Director, or Hall Director in the Residence Life Office.

Public space
Public spaces in the residence hall are reserved for students of that hall. Residents may reserve public space in the hall by contacting the hall director. Outside groups or individuals are not allowed to use residence hall spaces. For the Western View Community Center, residents of Western View should refer to the information provided at check in and the policies posted within the community center.

Student rooms
Your room is furnished with beds, mattresses, desks, desk chairs, blinds, dressers and ceiling lights. You may arrange the furniture in your room according to your preference. The furniture in your room is your responsibility, and trading furniture with other rooms or storing furniture outside the room is not allowed. If you build a loft, bed ends have to be stored in your room. All personal items must be contained and stored within the student’s room. Items left in public areas (ex. hallway, study lounge, community bathrooms, etc.) are subject to disposal. Public area furniture is for the use of all residents and therefore should not be placed in individual student rooms. Students are not permitted to bring their own mattress for use in their room. Waterbeds and other water-filled furniture are not permitted in residence halls. No lofts may block windows, and no furniture may block the entry to a room. The University reserves the right to change furniture or discontinue items as needed.

Students living in suite style rooms may not combine rooms to create a living area and sleeping area (no more than two beds per room). No subletting is permitted. In addition, you are prohibited from mounting televisions to the walls of the room.

Contact paper
The use of contact paper in your room or on the interior or exterior of your door, on furniture or on floors is not permitted.

Lofts
Most halls have loft kits provided in student rooms to loft the bed. The exceptions are Burnhams, Draper/Siedschlag and French halls where beds can only be bunked. Lofts may not be fastened to the building walls, floors or ceilings, nor may light fixtures, switches or residence hall furniture be moved or altered to accommodate a loft. In addition, lofts cannot be placed in front of the window or doorway.
Locked out
Keeping the halls safe and secure is a serious concern of Residence Life. Students are expected to assist in this endeavor by always locking their door and carrying their keys with them at all times. To encourage students to use their keys responsibly and to help keep the building secure, the following schedule of charges applies for lockouts.

This charge will be applied to your student account:
- 1st and 2nd time: no charge
- 3rd time: $10
- 4th time: $15
- 5th time or more: the charge will keep increasing by $5 each time

If you are locked out of your room, you may go to the hall office or front desk and ask to be let into your room. If a staff member is addressing another issue in the building, you may have to wait for a staff member to become available or for your roommate to return. Students must confirm their residency in that specific room either through showing their ID or verification of personal information. In addition, students must show their keys to a staff member when let into their room or the locks will be changed and appropriate charges applied.

For WMU Apartments, if you are locked out during normal business hours, call your resident manager. If he or she is not available, come to the Residence Life office and check-out a spare key. If your resident manager is not available for an after-hours lockout, contact the WMU police at (269) 387-5555.

If you leave your items in someone else’s room, you will not be given access to that room. You will have to wait for a resident of that room to return.

Utilities
Western View rent does not include all utilities. Residents are responsible for paying the energy bill. The Consumer’s Energy bill must be in one student’s name at all times.

For all residence halls, Stadium Drive, Goldsworth Valley and Spindler Hall, rent includes all utilities except long-distance phone and Internet services. Utilities include: cable TV, heat, garbage service, electricity and water.

Telephone service
Your room/apartment is provided with a private telephone line and local telephone service. Telephones are not provided in the halls or apartments, so you will need to bring or purchase one when you move in. To have service connected, stop by the WMU Telecommunications Office located adjacent to Waldo Library.

They will give you dialing instructions and inform you of charges and any special features offered. Report all telephone service problems to the WMU Telecommunications Office at (269) 387-4357. Only one telephone jack is provided in each apartment, and is located in the living room. Please visit the following website for comprehensive information about telephone service in the apartments: wmich.edu/it/studentphones.

Cable service
Basic cable television access is provided at no additional cost for residents. A complete list of EduCABLE channels is available at wmich.edu/it/educablechannels, including special WMU campus events and instructional channels. A standard coaxial TV cable and compatible television is required. Outdoor antennas or satellite dishes may not be used. For more information or to report problems with your EduCABLE, call (269) 387-4357, Option 1.

Vendors
All microwave-refrigerator combination units are available for rental through bedloft.com. If you have any trouble navigating the website, please contact Bedloft directly at (866) 651-5638.
Internet access
Wireless Internet access is available in public areas and all residence hall student rooms. In addition, all rooms are connected to ResNet, the high-speed residential computing network at WMU. There is an $80 charge per semester for fall and spring, and $40 each for summer I and summer II to connect to ResNet. This charge is billed to each student's WMU account.

All University policies and procedures apply to the use of ResNet. The University also enforces an Acceptable Use Policy and the Digital Millennium Copyright Act regarding downloading or sharing copyrighted movies and music. Use of ResNet in violation of any University policy or procedure may result in student conduct charges. Routers, wireless access points and combo router/access points may not be connected to ResNet. To connect you must have an Ethernet card in your computer and a standard Ethernet cable. All rooms are equipped with an Ethernet jack for each resident that occupies a room.

Please call (269) 387-4357 or visit wmic.edu/it/resnetconnect for more information.

Laundry and vending
Coin and ID card-operated washers, dryers and other vending machines are located in each hall for your convenience. If you live in the traditional halls, to add more money to your laundry account, visit wmic.edu/vending/laundry. Western Heights laundry is included with the room rate. Report broken vending machines and any refund requests you might have by calling (269) 387-2200 or by going to wmic.edu/vending.

Automobiles on campus
Parking regulations change on a yearly basis. You are encouraged to contact WMU Parking Services for current parking regulations. If you have guests visit, they must use metered spaces or obtain a parking permit valid for a limited time from WMU Parking Services, (269) 387-4609. The car registration, your guest's driver's license and your WMU Bronco Card will be needed when the permit is issued. For all WMU Apartments complexes except Spindler Hall, a parking permit is free when you register your vehicle at Parking Services. These permits can be used only for your apartment complex. They will require your identification, state-issued vehicle registration and apartment lease/contract. You may be assessed a fee or towed at your expense if you do not remove your car from parking lots during periods of snow removal or painting. You are solely responsible for any loss, theft or damage done to your vehicle.

Bicycles on campus
Bicycles are a way of getting around campus. If you choose to bring a bicycle to campus you should chain your bicycle to the bike racks provided by the University. Do not chain them to stairwells, trees, corridors, public areas or porches. Doing so might result in their removal. You are encouraged to register your bicycle with the Department of Public Safety. The Department of Public Safety will confiscate bicycles not removed at the end of each spring semester.

WMU Bronco Card
Your WMU Bronco Card is issued for your use only, and you will use this card for as long as you are enrolled at Western Michigan University. Your card may not be transferred to another person. Your card may be replaced at the Bronco Card Center located in the Bernhard Center. A fee will be charged for replacing a lost, stolen or damaged card.
Health and Safety

Western Michigan University is dedicated to the safety and security of all people on campus. Several programs and policies are in place to help ensure the safest community possible for you and your guests. It is important that students are security conscious in the halls, on the campus and in the community. Students should be familiar with these safety precautions. Protect yourself as well as your neighbors.

All students are encouraged to take an active role in ensuring the safety and security of the campus community. Your eyes and ears are valuable tools in the continuing effort to maintain a safe campus environment. Timely, detailed communication between our students and our safety personnel increases the efficiency and effectiveness of our campus safety efforts. Please be observant and report any crime, suspicious activity, or incident to the proper authorities, including WMU Department of Public Safety at (269) 387-5555.

General tips

- Keep your residence hall room locked! A common campus crime is theft, and most thefts are “crimes of opportunity” occurring when an easy opportunity is provided for theft.
- Always take your keys with you whenever you leave your room. Lock your doors even if you are just going down the hallway for a moment.
- Lock your door while you are IN your room whenever you are not able to observe someone entering through an unlocked door, such as when you are sleeping.
- The door viewing hole should be used before opening a student room door. If a person is unknown or unexpected, the person should be asked the purpose of the visit.
- If you live on the ground floor or roof level, you will receive a wooden rod to place in the window tracking to prevent the window from being opened from the outside.
- Books, book bags or other possessions should not be left unattended in public areas.
- Never let someone into a residence hall if you do not know them, even if they say they are visiting.
- Never sign someone into the residence hall you don’t know.
- Unescorted individuals, including solicitors, should be reported to hall staff.
- Do not prop doors open. Propped doors invite entry by nonresidents and possible criminals. If you see a propped door, close it!
- Do not hold the doors open for people following in behind you. Being polite is appreciated, but polite does not always equal safe.
- Report anyone tampering with the security doors or electronic security systems.
- Notify residence hall staff of any security doors that are damaged or not closing.
- Help your friends! Be a good neighbor and immediately call hall staff or the Department of Public Safety if you observe a suspicious person or activity.
- Follow all residence hall policies and procedures and the WMU Student Code.

Weapons

Weapons are not allowed on any WMU property, which includes all WMU residence halls and apartments. See the WMU official weapons policy online at wmich.edu/policies/weapons-on-campus, or on page 30 of the CLE.
Activity liability
Throughout the year there will be opportunities to participate in a variety of extracurricular activities and events sponsored by residence hall staff, hall governments and Residence Life. These include, but are not limited to using fitness rooms, residence hall facilities and equipment; educational, recreational and social activities, and programs that occur in the residence hall, and on or off Western Michigan University’s campus; consumption or participating in preparing food and beverages; and travel to and from and participation in events, conferences and other activities on and off campus. You recognize that your participation in such extracurricular activities may involve physical exertion or actions or omissions which could cause or result in injuries or health problems; contact with a variety of individuals, including non-University persons; risk of loss or damage to property; inconvenience and discomfort; exposure to circumstances and presence in locations with no supervision or protection; and other risks inherent in the particular activity or event in which you may be participating. In consideration of being permitted to utilize these facilities and equipment, and to participate in the activities and events available to our students, signing the residence hall contract means that:

- You understand the above risks may occur; you assume all risks inherent in and which arise from your participation in travel, activity and connected activities and other consequences or events that occur in conjunction with such extracurricular events.
- To the fullest extent permitted on behalf of you and your heirs, intentionally release and waive any and all claims of whatsoever kind or nature against Western Michigan University, its Board, president, officers, employees, advisors, agents and representatives which may arise out of your participation in these activities and events, including, but not limited to, acts, omissions or negligence of other students, advisors and other individuals or organization except for the University’s gross negligence or willful and wanton misconduct.
- You further agree to be responsible for your own safety, well-being and conduct, and that neither Western Michigan University, its Board, president, officers, employees, agents or representatives will be liable or responsible if you suffer personal injury, death or other damages or losses, except if caused by their gross negligence or willful misconduct.
- You also understand and agree you are solely responsible and assume all risk for damage, loss or theft of personal belongings (equipment, cameras, keys, jewelry, clothes, etc.) brought with you when participating in and traveling to and from such activities or events. Western Michigan University is not responsible for these personal items and they are not covered by Western Michigan University’s insurance coverage.
- You also authorize being taken to a medical facility for treatment in the event of an emergency and consent to emergency medical treatment being administered to you in the event you are unable (or your parent or guardian, if applicable, cannot be reached) to authorize such treatment.
- You recognize that you may appear in photographs, videos, recordings, motion pictures and other records of the extracurricular activities or events in which you participate, and you consent to Western Michigan University using, at its discretion, such photographs, videos, motion pictures, recordings and any other recordings in which you may appear, unless you inform the photographer that you do not wish to be filmed. You also understand that WMU cannot control filming between students.

Needle disposal
WMU strives to protect students and staff from safety and health hazards. In order to reduce the risk of transmission of blood-borne pathogens, SHARPS containers for the safe disposal of medicinal needles will be provided to you if you are required to administer self-injected drugs. Check with Environmental Safety and Emergency Management (269) 387-5590 for information on obtaining and disposing of SHARPS containers.

Campus lighting
The outer walkways of each complex are kept well-lit for the safety and protection of you and your guests. If you happen to notice that one of the lights is not functioning, please notify Facilities Management (269-387-8514) promptly.

Insurance
The University is not liable for any loss, theft or damage to you or your guest’s personal property. Residents are strongly advised to protect themselves against possible loss and theft by securing the appropriate personal liability and property insurance policy. University insurance does not cover personal property or liability.
Campus is tobacco-free
The use of tobacco products is not permitted indoors or outdoors on any University property. Tobacco products are defined to include the following: cigarettes, electronic-cigarettes, cigars, bidis, snuff, snus, water pipes, pipes, hookahs, chew and any other non-combustible tobacco products. Hookahs are not permitted within the residence halls. The use of tobacco products is only permitted in enclosed personal vehicles.

Electrical appliances
All electrical equipment you use in the residence halls must have an approved UL rating. Appliances or equipment may not be directly wired to your room. See the descriptions below for the information about approved and unapproved appliances.

Air conditioners
Air conditioners are not permitted at Spindler Hall or the residence halls. Air conditioning is provided in the Western Heights and Western View complexes. Residents of Goldsworth Valley and Stadium Drive Apartments may use your own window air conditioner subject to safety and size restrictions. For safety reasons, University maintenance personnel must install and remove all air conditioners. A Bronco Fix It request must be submitted for both installation and removal of window air conditioner units in these areas. If you have questions or need assistance determining which type or size of air conditioner to purchase, please call the Physical Plant at (269) 387-8514.

**Goldsworth Valley complex**
The dimensions of the window involved will limit size. Unit must not exceed 8,000 BTU’s. AC units should not exceed 21” in width.

**Stadium Drive complex**
Size is limited to the living-room window:
- Lower levels: 34½” w x 13 ¾” h
- Middle/upper levels: 34 ½” w x 17 ¾” h

Unit may be 110 or 220 volts, but must not draw more than 16 amps.

Approved electrical equipment
A maximum of two surge protectors/power strips are allowed per room. Linking multiple surge protectors/power strips is prohibited. Appliances equipped with an auto shut-off feature and fully enclosed heating elements are approved. Small microwaves and refrigerators are allowed if they use less than 1.5 amps of electric current. MicroFridges, a combination refrigerator, freezer, and microwave unit, are available for rent. One can be reserved by following “MicroFridge” from the Residence Life website at [wmich.edu/housing/vendors](http://wmich.edu/housing/vendors).
Unapproved electrical equipment
Appliances with exposed heating elements or no automatic shut-off pose a safety hazard and therefore are not allowed in the halls. If any of these items are found in a resident’s room, for the safety of all residents, hall staff will confiscate the item and keep it in storage until the resident can take the prohibited item home.

Examples of these types of appliances are toasters, mug warmers, traditional coffee pots, wax melters, toaster ovens, sandwich makers, and George Foreman-style grills. Since use of these appliances and cooking in your room is prohibited, you are encouraged to use your hall kitchen, if one is available.

Common examples include, but are not limited to …

Approved
- Surge protectors
- Desk lamps
- Clothes iron
- Curling iron/Flat iron
- Window fans
- Hair dryers
- "Keurig"-style coffee pots
- Crock pots
- Electric rice cookers

Unapproved
- Toasters/Toaster ovens
- Traditional coffee pots
- Wax warmers/melters (Scentsy, etc.)
- Lava lamps
- Sandwich makers
- George Foreman-style grills, induction cook tops, hot plates, mug warmers
- Electric woks/cookware
- Spider lamps (with plastic shades)
- Halogen lamps
- Space heaters
- Air conditioners
- Fog machines
- “Hoverboard”-style scooters
Emergency Procedures

Fire safety and related equipment
Fire prevention is of critical importance in a residence hall environment because so many lives could be endangered by accidents or careless actions. As a responsible member of the University community, you should become familiar with and abide by evacuation procedures to follow in the event of a fire. Refer to the evacuation guide located on the back of your residence hall door. Routine fire evacuation drills are held each semester.

Smoke detectors are located in every room. Even though the detectors are electronically wired with a battery back-up, you should test the detector once a week to make sure it is operating properly. The smoke detector will beep periodically when the battery is low. Report low batteries to the hall office.

Do not disconnect the smoke detector, for in doing so you put the lives and homes of you and your neighbors at risk. A charge will be assessed to repair or replace the smoke detector.

Fire extinguishers and pull stations are located in each hallway. Pull stations will activate the building-wide alarm system.

Fire prevention
Candles are not allowed in the halls
You may not possess lit or unlit candles, incense sticks or any items with an open flame. Candles are not allowed in the residence halls even as decorations.

Obstruction and fire hazards
Do not pile anything on radiators. Do not keep trash near heat. Keep waste baskets empty and keep exits clear of possessions and trash.

Use approved appliances according to instructions
Don’t leave heat-producing appliances unattended. Unplug them when not in use and allow appliances to cool before storing. Do not cover ventilation openings on TVs, stereos, radios or computers. Appliances should be used only with proper extension cords. Unplug appliances before leaving for vacations. Don’t overload circuits by plugging too many appliances into one outlet. If you need more outlets, we recommend that you purchase a multi-outlet strip with a circuit breaker. Each room is limited to two multi-outlet strips. Make sure you only have approved appliances in your room. For a list of approved and unapproved appliances, please see page 19.

How to survive a residence hall fire
Check the exits - Learning to survive a fire begins right after you check in. When you get to your room, take a few minutes to identify possible routes of escape. Walk down the hall and locate all the exits.

Remember, never use the elevator during a fire. If EXIT lights are out, please report the location to the hall office.

Remember that few people are burned to death in fires. Most people die from smoke inhalation, poisonous gases and panic. Panic is usually the result of not knowing what to do. If you have an escape plan and adapt it to the emergency, you can greatly increase your chances for survival.

Check your room - It is important to know the layout of your room because if smoke in the hallway cuts off your escape, you may have to stay in your room. Many people have lived through fires by remaining in their room, which protects them against smoke and other harmful gases while they wait for rescue.

Always know where your keys are so you can find them easily. You will need to return to your room if smoke or fire blocks your exit. Try the windows to make sure they open. Look out the window to see what is outside. You may be only a few feet from the ground and can exit this way if the hallway becomes blocked by smoke and fire.
If an alarm sounds
Immediately grab your keys, shoes and a coat and head for the door. If you don’t know where they are, don’t spend time looking for them. It could delay you being able to leave your room safely. If there is smoke in your room, roll out of bed and stay close to the floor. Remember, smoke and lethal gases rise. Feel the door with the back of your hand. If the doorknob is hot, don’t open it. If the door is not hot, open it slowly and be ready to slam it shut if smoke or flames rush in.

Check the hall. If it is clear, close and lock your door behind you to protect your belongings and walk to the nearest exit. If there is any smoke in the hallway stay in your room. Remember: never use an elevator during a fire. Take stairs down to the ground level. Fire generates heat, smoke and panic. Make sure you hold onto the handrail when exiting. Once you have exited the building, please go to the re-assembly area, let the hall staff know you are there, and then follow the directions of the hall staff and or University officials. Never reenter the building until instructed by the Fire Department and the Department of Public Safety.

If your room door is hot
If your room door is hot, do not panic. You can stay in your room and still survive a fire. Crack open windows to vent the room if there is any smoke.

Let someone know you are in the room. If the phone works, call for help. Hang a bed sheet out the window to signal fire fighters, but don’t try to climb down. If water is available, wet towels and sheets. Place them around the doors if smoke is seeping in.

Get fresh air. Make a tent over your head with a blanket at a slightly opened window to get fresh air. If windows do not open, you may have to break one out with a chair or heavy object. If heat and flames are rising outside the window from a lower level, don’t breathe in the smoke-laden air or open the window.

If clothing catches fire
Don’t run – STOP, DROP to the floor and ROLL out the fire. If someone else is on fire, drop them and roll them on the ground, or use a rug, coat or blanket to smother the flames. Cool a minor burn with cool water. Get prompt medical attention if the burn is severe.

If a fire begins in your room
Leave your room immediately and close the door behind you to keep smoke and flames out of the corridor. Then, sound the fire alarm. Fire alarm pull stations and extinguishers are located in the hallway. If the fire is small, such as confined to a wastebasket, and you have been trained with or have prior knowledge of how to use a fire extinguisher, you can try to put it out. However, keep in mind that taking time to get the extinguisher may reduce your chances of exiting safely. To use an extinguisher, pull the pin, aim the nozzle at the base of the fire, squeeze the handle, and sweep from side to side until the fire is out. If you doubt that you can put the fire out, leave your room.

Making a judgment call as to whether or not you can successfully handle a fire can be dangerous. Fires can double in size every 30 seconds. In 90 seconds, a fire can reach temperatures over 1,000 degrees. One breath of air heated to 150 degrees can sear human lungs.
Tornadoes
Tornadoes can occur at any time of the year, but the most likely season in Michigan is April through July. The National Weather Service has two levels of reporting tornado conditions:
- A tornado watch means existing weather conditions are such that tornadoes are expected to develop.
- A tornado warning indicates a tornado has been sighted in the area or is indicated on radar.

Residents are urged to keep their radios or TVs tuned to a local station for storm advisories when weather conditions indicate the likelihood of storms. Please do not call the University police for this information. It is imperative that police telephone lines be kept free to receive storm updates and reports. When a tornado warning has been issued, an outdoor siren will sound, alerting the community. In addition, hall staff have been instructed to alert residents of a tornado warning by issuing three short blasts on an air horn, followed by a pause and then three more short blasts. Either of these alerts indicates it is time to relocate to a lower place within the building.

When a tornado warning occurs, residents need to take shelter on the lowest level of the building, away from windows and if possible, in a corridor. If time does not permit you to reach the shelter area, take cover within your bathroom, inner hallway or closet as a last resort. Close all room doors surrounding your shelter area and keep away from all windows to prevent being struck by flying glass or other objects. Some halls have a designated tornado shelter in the basement.

The city of Kalamazoo tests these sirens at 1 p.m. on the first Saturday of the month.
Facilities Management

Maintenance repairs
You are responsible for the proper care and use of the items in your room and the community facilities. If something breaks, University maintenance personnel will make all replacements and repairs. Routine maintenance repairs are free of charge. Those resulting from carelessness or negligence will be made at the expense of the responsible resident. Please enter all maintenance requests by going to wmich.edu/facilities/fixit. If maintenance emergencies occur after 5 p.m. during the week, on weekends or University holidays, please call the RA on duty or contact the front desk. Facilities Management has a “students first” philosophy, which means they will try to address most items within 24 hours.

Emergency maintenance
Emergency maintenance problems involving plumbing, electrical, heating or security should be reported immediately to the hall office when open, or to the RA on duty or the front desk on evenings, weekends or on holidays.

Entry procedures
Because our maintenance staff responds to thousands of work orders annually, it is not possible to schedule work in advance. Maintenance staff is authorized to enter a room if the resident is not home when they arrive. However, they are trained to strictly observe an established procedure before entering. The procedure requires that they knock loudly at least three times, pause and listen for a response from inside the room, and then open the door slightly and call “maintenance” loudly, again waiting to hear a response. If they do not hear a response, they then enter the room.

Elevator
Some residence halls have passenger elevators. Use of the elevators is a privilege and students are expected to use them in a responsible, safe and respectful manner. In keeping with this expectation, tampering with the alarm, misuse or defacing of the elevators or entering the elevator shaft is prohibited. Actions such as tugging on the doors or jumping up and down in the car are also prohibited. If an elevator door is closing, do not force it back open. Residents of the building or the individual found responsible will incur the costs of any damages to the elevator. Inappropriate use of the emergency call button or phone is not permitted. Any of these kinds of actions may result in discipline and legal action. Most elevators employ the use of video surveillance cameras.

Pest control
Inspection and treatment of each apartment is conducted every semester as part of a preventative pest control program, as well as an inspection prior to move-in. If pest problems develop in the apartment or public areas like stairwells, please notify Residence Life immediately. Participation in pest treatment controls and recommendations is mandatory. We do not recommend bringing used furniture from yard sales or dumpsters into the apartment because they are more likely to spread pests, particularly bed bugs. If you suspect you have bed bugs, notify Residence Life immediately. If you are in a furnished apartment, do not throw away any university furniture prior to the contractor’s arrival. The contractor will confirm whether or not the suspected insect is a bed bug. Any additional direction(s) the contractor provides should be followed closely and exercised promptly. If bed bugs are confirmed, you will be responsible for full or partial cost of treatment.
**Student conduct process**

Hall staff are not the only people that can hold students accountable for policies and procedures. Part of living in a community requires residents to take an active part and make sure the community is being respected. If you see a violation occurring, depending on the situation, you can try to address it (i.e. loud noise coming from a neighbor - go and ask them to quiet down, someone leaving their trash in the hallway - talk with the student about taking care of it properly, etc.). If you do not feel comfortable with addressing an issue or it is a situation you should not be dealing with, get a staff member to confront the issue. At any time, you can also put in writing a violation you see happening and turn that documentation into hall staff.

A basic component of living on campus at Western Michigan University is that all students are responsible for their actions and that there are natural consequences for inappropriate behavior. Students will always have the opportunity to speak with a staff member from Residence Life or the Office of Student Conduct if an incident occurs. The Community Living Expectations policy book falls under the umbrella policies of the WMU Student Code. Students looking for further information on the conduct process should refer to the Student Code online at [wmich.edu/conduct/code](http://wmich.edu/conduct/code) or contact their hall director.

**Severability**

Each resident is considered a responsible member of the residence hall community. Not only are residents responsible and accountable for their own actions, but also for what happens in their room or by their guests. The policies and procedures listed in this book are in addition to those listed in the WMU Student Code. The code is available online at [wmich.edu/conduct/code](http://wmich.edu/conduct/code). Invalidation of any of the provisions contained herein by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.
Policies and procedures

Alcohol (B2/B.22.1)
Conduct not permitted: Including but not limited to public intoxication, use, possession, manufacturing or distribution of alcoholic beverages except as expressly permitted by law and University regulations. (B2)

In addition, the following specifics are designed to support this policy in the residence halls (B.22.1):

- Open containers of alcohol are not permitted outside student rooms. Drinking parties are not allowed anywhere in the residence halls.
- If a room is shared by those over and under 21 years old, it must be clear that the alcohol is being consumed only by those 21 years old.
- If both occupants of a room are under 21 years old, no alcohol may be consumed or possessed in that room, regardless of the age of the guest or visitor. This includes guests who are of age and live elsewhere in the hall.
- “Common sources of alcohol,” whether full or empty, including kegs, trashcans, party balls or other large containers holding alcohol, are prohibited. Beer bongs are not permitted in the residence halls.
- Residents and guests violating the policy will be asked to dispose of the alcohol in the presence of a staff member.
- Intoxication is never an acceptable excuse for misconduct or for infringing upon the rights of others.
- Those of age to consume alcohol must do so with the room door closed. Any alcohol being transported by someone of age must be completely covered from open view and be taken directly to the resident's room.

Alcohol and other drug abuse (B.22.3)
Any residence hall student whose use of alcohol or other drug results in behavior that causes concern for other students or staff members may be referred to the student conduct process. Sanctions could include a referral to Behavioral Health Services for a substance abuse assessment and subsequent treatment program.

Alcohol containers (B.22.2)
To avoid any misunderstandings of underage drinking, no alcoholic beverage containers (whether full or empty), may be displayed or in the possession of any student under 21 years of age.

Bathrooms (B.22.17)
Students who live in a coed facility must respect fellow residents by always using the bathrooms for their specified gender. This also includes residents’ guests.

Students who live in a single-sex residence hall and have guests of a different gender must have the guests use the bathrooms that are designated for the gender of the guest.

Dangerous materials (B.22.11)
Dangerous materials and chemicals such as gunpowder, fertilizer, Drano, laboratory chemicals, ammonia, ether, acid, fireworks, gasoline, lighter fluid, oil, kerosene, propane, charcoal, turpentine and other combustibles are not permitted. Motorcycles and other fuel-driven engines may not be placed or operated anywhere inside residence halls or on porches. Natural cut trees, branches or greens, other than potted plants, are prohibited in student rooms.

Downloading and/or sharing copyrighted materials (B.18.c/B.18.j)
You may not use your Internet connection to download or share copyrighted materials (files, programs, songs, videos/movies, etc.). If you do so, you are in violation of the Digital Millennium Copyright Act (DMCA). This policy is strongly enforced and could include losing your Internet connection. More information about Office of Information Technology policies is at wmich.edu/it/policies
Drug possession or use (B.6)
Use, possession, exchange, manufacturing or distribution of marijuana, heroin, narcotics, other controlled substances and paraphernalia, is not allowed except as expressly permitted by law.

The Michigan Medical Marijuana Act of 2008 (MMMA) act notwithstanding, WMU is subject to the Federal Drug-Free Workplace Act of 1988 and the Federal Drug-Free Schools and Communities Act amendment of 1989, both of which prohibit controlled substances on campus, including marijuana. The use or possession of medical marijuana is not permitted on campus, including within the residence halls or apartments.

Marijuana odors from residence hall rooms will be reported to the Department of Public Safety.

Failure to comply (B.8)
Failure to comply with directions by University officials or law enforcement officers acting in performance of their duties, i.e. hall staff asks you to give them your WMU Bronco Card and name, go back to your room, etc., and you do not do what they ask. University officials included but are not limited to, hall director, graduate assistant hall director, resident assistant and front desk workers.

Fire safety (B.9/B.22.8)

a. Fire or safety equipment misuse – Tampering with or misuse of fire or any other safety equipment, or disregarding, circumventing or disabling any security or safety device or system. (B.9) {or} Fire – No student shall intentionally ignite or threaten to ignite any material or substance in or near the University facilities or grounds. (B.22.8.a). The individual(s) involved may be prosecuted.

b. Alarm sounding/drills – Fire drills are scheduled as required by state regulations and are conducted in each hall. Whenever an alarm sounds in any residence hall, persons within the hall are required to evacuate the building immediately. Re-entry into a building before an “all-clear” signal is prohibited. State law prohibits the use of elevators during a fire alarm. (B.22.8.b)

c. Unapproved appliances – Possession or use of unapproved electrical appliances, such as hot plates or spider lamps, is a violation of the fire safety policy. For more details about approved and unapproved electrical appliances, see page 12. (B.22.8.c)

d. Candles and incense – Possession of candles and incense, even if only for decoration purposes, are not permitted within the residence halls or campus apartments. (B.22.8.d)

e. Campus is tobacco-free. The use of tobacco products is not permitted indoors or outdoors on any University property. Tobacco products are defined to include the following: cigarettes, electronic-cigarettes, cigars, bidis, snuff, snus, water pipes, pipes, hookahs, chew and any other non-combustible tobacco products. Hookahs are not permitted within the residence halls. The use of tobacco products is only permitted in enclosed personal vehicles. (B.22.8.e)

Gambling (B.22.27)
Any form of gambling is prohibited. Violators may be subject to University, state or federal laws.
Guest and visitation policy (B.22.15)
Guests are permitted to stay overnight with prior consent of all roommates and suitemates, if applicable. No more than two guests per resident are allowed at any one time. Guests are only permitted to stay for a maximum of two consecutive nights. Cohabitation is not allowed.

No overnight guests will be permitted during the week preceding the start of the fall semester ("Fall Welcome" week) or during any final exam period. This restriction is designed to be respectful to all students as they become acclimated to living on campus at WMU and/or as they study and prepare for the end of the semester.

Guest privileges, including overnight visits may be further limited as necessary by the hall director. Violations can result in guest privileges being revoked. Where applicable, hosts will incur costs for unapproved guests. Roommates who do not report an overnight guest staying longer than two nights may also be responsible for part of these costs. This policy also applies to students who have single rooms.

A guest is defined as any person a resident who registers at the front desk or any person a resident allows to enter the residence hall. To ensure the safety of residents, the front doors of each hall are locked at appropriate times (check your hall postings for specifics). Beginning at 9:00 pm, guests must sign a registration log at the front desk and are not permitted to proceed unless accompanied by a resident host. All guests must provide picture identification (state ID, military ID or WMU Bronco Card) to be signed into the hall. On occasion, doors may be locked earlier than normal times. Those who are under the age of 18 and are not WMU students are not allowed in the residence halls after 9 p.m. unless designated by Residence Life.

When a resident registers a guest, or serves as a host before designated registration hours begin, that resident is designated as the host and is ultimately responsible for the behavior and any damage caused by the guest. Guests are expected to abide by all Community Living Expectations and the WMU Student Code. It is the host’s responsibility to communicate the established expectations to guests. Noncompliance by the guest is grounds for terminating the contract of the resident host. The guest may also be banned from visiting WMU residence halls. In addition, the host must accompany guests at all times while in the residence hall. Guests may visit only rooms to which they are specifically invited and only in the company of a host. All residents of the room shall agree to the visit.

Health standards (B.22.19)
Students are required to comply with University health standards and local health codes. Residents are expected to maintain their rooms in an orderly and sanitary condition. Unhealthy living conditions include but are not limited to: rotting food, unclean bathroom facilities, odors, excessive garbage or clutter that has not been removed, etc. Trash removed from your room by staff will result in documentation and could include a potential charge to your student account at a minimum rate of $25.

Keys and security (B.22.21)
Providing safe and secure environments for living and learning are critical concerns at Western Michigan University. Students are expected to cooperate with the University in efforts to maintain a secure campus. As a community member, students are responsible for:

Securing doors by:
- Closing interior and exterior security doors and not propping or allowing them to be propped
- Only using alarmed doors when the fire alarm is sounding

Cooperating with residence hall staff by:
- Entering the building through the authorized doors (in most cases, the front door) only
- Showing proper identification upon entering the building
- Ensuring that all non-residents register upon entering the building during designated times
- Not allowing those who you do not know and who are not a resident of your hall from entering the security doors

Residence Life is committed to supporting students in their pursuit of academic excellence.
Trespassing by:

- Understanding that entry into any completely or partially closed residence hall area is prohibited

Residents will be issued a room key and building key at check-in. Residents of Valley I, II and III, as well as Western Heights, will use an WMU Bronco Card access system to enter the hall. All students are expected to lock their room door and carry their keys when they leave their room. Loaning keys to guests or leaving them unattended compromises the safety measures provided and is therefore not permitted. Students who become locked out of their room more than one time will be charged for the lockout, and may be required to meet with the hall director. Please refer to page 11 of the CLE for further information.

Pets (B.22.24)
The only pets permitted are aquarium fish. Fish tanks over 20 gallons are not permitted. This restriction does not apply to animals providing assistance to residents with a disability and approved by Disability Services for Students.

Physical or Verbal Misconduct (B.14)
Unwanted physical contact, threats, intimidation, harassment, coercion and/or other conduct which threatens or endangers the health, well-being or safety of any person.

Posting (B.22.22)
WMU considers the entire exterior student room door, wall surrounding the exterior door, and hallway walls to be under the governance of Residence Life. Only postings by Residence Life staff may be placed in this space. Students may not decorate outside of their door. Examples would include decorative lights, “welcome” mats, and holiday decorations.

There are bulletin boards on corridors throughout the residence halls maintained by residence hall staff to keep residents aware of Residence Life, University and community activities. Only authorized Residence Life personnel are permitted to post in the residence halls. Postings are not permitted on walls, windows or other non-bulletin board surfaces in public areas, including elevators. If physical damage results from any posting or when labor time is required to remove postings, the sponsoring organization or individual will be billed.

Individuals wishing to advertise in the residence halls must have all flyers stamped “approved” by Residence Life. Bring an original flyer to the Residence Life office to be approved for distribution. If approved, Residence Life staff will distribute and post the flyers. At no time may postings be slid under residence hall room doors, except for those authorized by Residence Life.

Quiet and courtesy hours (B.22.4)
You will share close quarters with many people in a residence hall. Consideration with regard to noise is vital to maintaining the quality of your environment. Noise created by an individual or group greatly affects other members of the community. Quiet hours for all residence halls are in effect from 10 p.m. to 8 a.m., Sunday through Thursday and 1 a.m. to 8 a.m. on Friday (Saturday morning) and Saturday (Sunday morning). Each resident is responsible for keeping noise levels to a minimum at all times. During this period, all sound must be contained within a resident’s room. In addition, beginning with the Saturday night prior to finals week each academic semester, quiet hours are in effect 24 hours a day.

Courtesy hours are in effect 24 hours a day. If you encounter a noise problem during quiet or courtesy hours, you have the right and the responsibility to respectfully let others know that their activity is disruptive. If a disturbance persists, notify a staff member. The University expects residents to decrease the volume of any noise disturbing other residents when asked by either residents or staff.

The use of sound equipment such as stereos, televisions, etc. must not infringe upon the rights of others. Such equipment should never be played so loudly as to disturb other residents. At no time should amplified sound be directed out windows.
or room doors. Speakers and sound systems are not permitted in the windows. Students may be required to remove such equipment from the residence hall. Subwoofers are not permitted in the residence halls or apartments.

**Recreational equipment (B.22.7)**
Bicycles, skateboards and inline skates are not to be used in the residence halls. In addition, students may not play basketball, football, hockey, frisbee or any other type of activity in the residence hall that may injure others or damage property. Students may not use or possess "Hoverboard"-style scooters in the hall at any time.

**Registered offenders and criminal history (B.22.12)**
If it comes to the attention of the University that an individual required by law to register as a sex offender or has a criminal history related to other crimes applies to reside, or is currently staying, in a University-owned residence hall or apartment, the Dean of Students or a designee will convene a University housing review committee to determine if the individual will be allowed to reside or continue to stay in University housing. The Dean of Students or a designee will determine membership of the committee. The individual shall be given an opportunity to provide information to the committee and may be requested to appear before this committee. The Housing Review Committee shall determine whether it is in the best interest of the University community that the individual be allowed to stay in University housing, and if so, under what conditions, if any.

If the committee concurs, by majority vote, that the individual will not be allowed to stay in University housing, the Dean of Students or a designee will notify the individual in writing. The decision of the committee will stand, unless the affected individual submits a written appeal within seven calendar days of the decision. Such appeal must include supportive reasons and shall be made in writing to the Vice President for Student Affairs/Dean of Students with a copy to the Office of the Vice President for Legal Affairs and General Counsel. If appealed, the Vice President for Student Affairs/Dean of Students will make a final determination as to whether the individual shall be allowed to reside or stay in University housing.

**Sexual misconduct (B.15.)**
Please see the Western Michigan University Sexual and Gender-Based Harassment and Violence, Intimate Partner Violence, and Stalking Policy at [wmich.edu/sexualmisconduct](http://wmich.edu/sexualmisconduct) for information regarding sexual misconduct complaints and their resolution.

**Solicitation and selling (B.22.26)**
For the protection and privacy of residents and to prevent the interruption of studies, all forms of solicitation including but not limited to commercial transactions, political and social solicitation are prohibited in all areas of the residence halls. Residence hall rooms and phone numbers may not be used or listed as a place of business.

**Trash and littering (B.22.28)**
Students are expected to take their trash to dumpsters provided outside the hall. Leaving trash, lofting materials, furniture, etc. in the hallways, stairwells, elevators and public areas is a violation of University policy. Littering inside or around the hall is also a violation of University policy. Trash removed by staff will result in a documentation and could include a potential charge to your student account at a minimum rate of $25.

**Unauthorized use/destruction/defacing of property (B.17/B.22.18)**
Attempted or actual removal of, use of, and damage to property of the University, property of another, or the removal of other personal or public property without proper authorization is prohibited. Leaving or placing unauthorized materials on University property or defacing University property is also prohibited. (B.17)

Residents are expected to exercise care in the use of the building and furnishings. They assume responsibility for supervising the care of the building, identifying offenders and notifying residence hall staff members or the Department of Public Safety when vandalism or damage occurs.
When responsibility for public area damage cannot be determined, the financial amount to repair the damage may be charged back to all members of the community. This policy is designed to encourage resident pride and ownership for the community the student resides within, and to reduce the amount of damage that occurs. If a student is found responsible for destruction of University property through the student conduct process, restitution will be utilized as a sanction. (B.22.18)

**Weapon possession or use (B.23)**
Western Michigan University is a weapon free school. By order of the Board of Trustees “no person shall possess on university property any firearms or other dangerous weapons with the exception of police officers, transfer agents licensed to carry weapons and persons using any such weapons for class instruction when authorized by the dean of the appropriate college” (Approved June 11, 1971). The possession, use or storage of weapons is prohibited on University owned or controlled premises and at University sponsored events without authorization from the appropriate University official. Using or possessing a weapon, even with proper authorization, in a manner that harms, threatens or causes fear in others, or is otherwise in violation of the Weapons on Campus Policy contained in the Registered Student Organization Handbook, is also prohibited. Prohibited weapons include, but are not limited to, the following:

- Any firearm either long gun or handgun, or any device which fires any type of projectile using gunpowder as a propellant.
- Any bb or pellet gun, or a device that fires a projectile using compressed air, CO2 or other gas as a propellant. This includes “airsoft” and paintball guns.
- Edged weapons including any of the folding or fixed blade knives, daggers, dirks, swords, axes, machetes, bows and arrows, or any other sharp object fashioned or used as such objects.
- Martial arts devices such as nun-chucks, bokken, throwing stars, throwing knives, bow staffs, sai, tonfas, or any other device considered a dangerous weapon.
- Stun gun or taser, or any device that produces electrical current intended to disable or injure a person either permanently or temporarily.
- Any device made specific, crafted, or used with the intended purpose of causing harm to a person.
- Kitchen knives are permitted as long as they are used for the intended culinary purposes.
- Pepper spray or any chemical irritant that contains 10% or less of oleoresin capsicum is permitted on campus property.

**Windows and window screens (B.22.20)**
For safety purposes, windows and screens must not be removed. To protect residents and maintain the environment, do not throw or drop anything out of a residence hall window. No one is permitted to exit the building via a window. Halls have screens that are permanently secured in place, and a replacement charge will be assessed if the screens are removed. WMU personnel must do all re-installations.
Dining Services policies

Accessing Dining Services

Any dining center on campus accepts your meal plan. You are encouraged to try each dining center since each location has a unique menu, or a particular dining center may be conveniently located near your classes or activities.

Your meal plan is for your use only. To use your meal plan, present your WMU Bronco Card for scanning by the dining center checker. To use your Dining Dollars to purchase a guest meal in the dining center, let the checker know that you will be using Dining Dollars to purchase a meal and the checker will scan your WMU Bronco Card. (You may not use your meal plan meals to bring others in the dining center with you or give your WMU Bronco Card to another person to enter the dining center.) Similarly, if you would like to use your Dining Dollars to make a purchase at a WMU campus café, the cashier will scan your WMU Bronco Card to deduct the purchase amount from your Dining Dollars balance.

Do not transfer your WMU Bronco Card to another person or allow your card to be in another’s possession. If your card is transferred to another person, with or without your consent, it will be kept by the Dining Service checker or cashier and a $25 fine will be charged to the legal cardholder. The legal cardholder, and the person using a WMU Bronco Card that does not belong to them, may be processed in accordance to the WMU Student Code. If your card is lost or stolen, call WMU Dining Services immediately at (269) 387-4844.

Guests in Dining Services

Guests may purchase meals at the checker’s table at the dining center door during serving hours at the guest meal rate (breakfast $7.75, lunch, snack & dinner $9.75). All guests must comply with all rules, policies and procedures set by WMU Dining Services.

Required attire in dining facilities

Proper attire is required to enter the dining center for the comfort and safety of all. Proper attire includes a shirt, pants, shorts or skirt, and footwear to include a full sole covering the bottom of each foot. The Director of Dining Services will determine if any particular garment or footwear is considered improper attire.
Dining center procedures
Dining Services is largely self-serve and begins by picking up a plate or bowl and ends when you return your dishes and utensils to the proper dish return area. While self-serve offers flexibility to students, students must be mindful of food safety, eliminating food waste and maintaining a pleasant and tidy environment. Each person in the dining center is responsible for:

- Proper hand washing before coming to the dining center or utilizing hand sanitizer
- Practicing proper cough and sneeze etiquette
- Using the serving utensils provided
- Avoiding waste: make selections carefully and in reasonable amounts; go back for additional portions if desired
- Always get a clean dish when returning for additional food
- Returning trays, dishes and utensils to the proper dish return area
- All dishes, utensils and food remain in the dining center. Food may not be carried out from the dining center.

Students may take one beverage with them using their WMU WeSustain EcoMug or EcoJug.

- A purse and/or a backpack or a similar tote containing items needed for classes or activities is allowed in the dining center with each student. Any other bags or boxes or totes are not allowed in the dining center. Students are reminded to be watchful of their backpack and other belongings, especially laptops or cell phones, in the dining centers.

- Personal beverage containers, except the WMU WeSustain EcoMug or EcoJug, are not allowed in the dining center, or Draper Dining Service. The WeSustain EcoMug or EcoJug is the only Carryout beverage container allowed for use as follows:
  - Dining centers, during all hours of operation
  - Draper Dining Service
  - Campus Cafes

Carryout meals – Order Online
Carryout meals are available Monday through Friday.

Meal exchange at Parkview Café
Parkview Café at the College of Engineering and Applied Sciences (CEAS) offers a meal exchange option during the week. Students may use one meal from their meal plan to obtain a meal exchange for breakfast, lunch, snack or dinner while at CEAS. Each meal exchange includes three meal components. The meal components are based on a defined menu for an entrée choice, fruit/salad choice and a beverage choice. The meal exchange allows for one selection from each of these meal components.

For all meal plans, one meal exchange allowed per meal period per day (up to 4 meal exchanges/day).

Parkview Café is a convenience retail operation, the choices and portion sizes are very limited in comparison to the dining centers, and the pricing structure does not correlate to guest meal prices in the dining halls.

How it works
Choose your meal exchange selections from the designated Meal Exchange items, and go to the cash register with your WMU Bronco Card in hand. Let the cashier know you want to use your Meal Exchange and the cashier will check your items to ensure they are redeemable items, then scan your Bronco Card to deduct one meal from your card. No substitutions to the Meal Exchange offerings are allowed; other items that are not part of the Meal Exchange selections may be purchased using Dining Dollars, cash or credit.

Late-nite Carryout at Café 1903 & Market
Café 1903 & Market is located on the first floor of the Valley Dining Center. A Late-nite Carryout option is available Monday through Thursday, 8 p.m. to 11:30 p.m. Students may use one meal from their meal plan each evening Late-nite Carryout is open to obtain a carryout meal. Students may choose one portion from each of the categories of food selections offered at Late-nite Carryout, per the portion sizes offered with each item. This is not an all you care to eat environment. The beverage choice with a Late-nite Carryout meal is a beverage from the fountain pop machine. You may bring your EcoMug/EcoJug to fill up from the fountain pop machine as a reusable option. Students may use Dining Dollars, cash or credit to purchase additional items at the time they have their Bronco ID Card scanned for their Late-nite Carryout meal.

Sick tray meal request
If you are seriously ill and cannot leave your room for a meal, you may obtain a sick tray meal as follows:
- Request your RA, roommate or suitemate to pick up your sick tray and give this person your WMU Bronco Card.
- This person will ask at the checker's stand for a sick tray slip, fill out and sign the sick tray slip, and have your WMU Bronco Card scanned.
- The checker will notify the manager to help your RA, roommate or suitemate find the needed Carryout materials and food.
- The sick tray meal will consist of the available menu offerings in the dining center at the time of the request. No special diet requests are possible.
