Committee Assurances
Adopted - December 4, 2019

We are excited to have you join us in the important work of increasing voter education, voter registration and voter turnout at WMU. To do this good work as effectively as possible, we ask that all committee members make the following commitments:

1. The duration of the commitment is one year, starting in December 2019. Meetings will be held monthly. Committee members should attend each monthly meeting.
2. When representing WeVote, committee members agree to work in a non-partisan manner in accordance with the WeVote non-partisan policy.
3. Committee members are expected to volunteer for a minimum of 4 WeVote events (voter registration, voter education events, etc.).
4. Committee members will act as WeVote ambassadors for their university office or college. This includes, but is not limited to, being the point person to your area for WeVote initiatives when needed and scheduling voter education and/or registration events specific to your office or college.
5. Additionally, committee members are expected to volunteer for both the Presidential Primary Election Day and the Presidential Election Day.

Substitutions for #3 and #4 include contributing work that serves WeVote in a specific way, such as video editing/creation, marketing and communication, voter registration station liaison, work through community groups such as the League of Women Voters, etc.

All efforts will be made to provide sufficient time and detailed information to plan for volunteer opportunities.

THANK YOU for your time and commitment to increasing civic engagement at WMU!
